# Caldwell Accumax Pic Rail Bipod Safety Instruction Guide

## Introduction

Thank you for choosing the Caldwell Accumax Pic Rail Bipod. This bipod is designed to enhance your shooting experience by providing maximum accuracy and stability. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always ensure that the bipod is securely attached to your firearm before use.
- Regularly inspect the bipod for any signs of damage or wear. Do not use if damaged.
- Keep the bipod out of reach of children and vulnerable individuals when not in use.
- Use the bipod only for its intended purpose, as described in this manual.
- Be aware of your surroundings and ensure that you are in a safe shooting environment.
- Follow all local laws and regulations regarding firearm use and safety.

## Specific Safety Precautions for Use

- Ensure that the bipod legs are fully extended and locked in place before shooting.
- Avoid placing excessive weight on the bipod during use to prevent tipping or instability.
- When adjusting the leg angles, do so slowly and carefully to avoid pinching fingers.
- Always use the bipod on a stable and flat surface to maximize stability.
- Do not use the bipod in adverse weather conditions that could affect its performance (e.g., heavy rain, snow, or high winds).

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Align the bipod's mounting plate with the Picatinny or MLoc rail on your firearm.
- Securely attach the bipod using the provided screws or locking mechanism. Ensure it is tight and stable.

### 2. Usage:

- To deploy the bipod, press the release button and extend the legs to the desired length (6"9" or 9"13").
- Adjust the leg angle by twisting the locking mechanism and setting the legs to your preferred angle (up to 180 degrees).
- Use the swivel tension lever to adjust the swivel tension for smooth panning and tracking.
- After use, retract the legs and secure the bipod in the folded position.

## Disposal Instructions

- Dispose of the bipod in accordance with local regulations.
- If the bipod is no longer usable, consider recycling components where possible.
- Do not dispose of the bipod in regular household waste to minimize environmental impact.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please contact your local Caldwell representative or retailer. They can provide you with additional support and information.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the Caldwell Accumax Pic Rail Bipod!
