# Caldwell Pic Rail XLA 6"9" Fixed Black Bipod Pivot Lock Safety Instructions

## Introduction

Thank you for choosing the Caldwell Pic Rail XLA 6"9" Fixed Black Bipod Pivot Lock. This product is designed to enhance your shooting experience by providing stability and support. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure the bipod is compatible with your firearm and meets safety regulations.
- Inspect the bipod before each use for any signs of damage or wear.
- Use the bipod only for its intended purpose - supporting firearms during shooting.
- Keep the bipod out of reach of children and vulnerable individuals when not in use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay updated on recall notices through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper use may lead to firearm instability, resulting in accidents.
  - Failure to secure the bipod can cause it to collapse unexpectedly.
- **Avoiding Hazards:**
  - Always ensure the bipod is securely attached to the firearm before use.
  - Do not exceed the weight limit of the bipod.
  - Avoid using the bipod on uneven surfaces that may cause instability.
  - Do not modify the bipod or use it for purposes other than intended.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before attaching the bipod.
- Locate the Picatinny rail on your firearm.
- Align the bipod's mounting adapter with the rail and slide it into place.
- Secure the bipod using the provided #1032 threaded adapter if necessary.
- Check that the bipod is firmly attached before proceeding.

### 2. Usage:

- Adjust the bipod legs to the desired height (6"9") for optimal stability.
- Lock the pivot mount by tightening the tension adjustment screw.
- Always check the stability of the bipod before firing.
- After use, retract the bipod legs and store it in a safe place.

## Disposal Instructions

- Dispose of the bipod in accordance with local regulations.
- Do not dispose of the bipod in household waste.
- If the bipod is damaged beyond repair, consider recycling the materials where possible.

## **Contact Information for Further Support**

For any inquiries regarding the Caldwell Pic Rail XLA 6"9" Fixed Black Bipod Pivot Lock, please refer to the product packaging for contact information.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Caldwell bipod. Thank you for your attention to safety!
