# Caldwell XLA Bipod Safety Instructions

## Introduction

Thank you for choosing the Caldwell XLA Bipod. This product provides stable shooting support and is designed to enhance your shooting experience. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before attaching or detaching the bipod.
- Use the bipod only with firearms that have a compatible sling swivel stud.
- Inspect the bipod and your firearm for any signs of damage or wear before each use.
- Keep the bipod and firearm out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any accidents or unsafe products to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the bipod is securely attached to your firearm before use.
- Do not exceed the weight limit specified for the bipod model you are using.
- Use the bipod on stable and flat surfaces whenever possible.
- Avoid using the bipod in wet or slippery conditions to prevent accidents.
- Be cautious when adjusting the height of the bipod legs to avoid pinching fingers.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded.
- Locate the sling swivel stud on your firearm.
- Align the bipod mounting bracket with the sling swivel stud.
- Securely attach the bipod to the stud by tightening the mounting screw.

### 2. Usage

- Adjust the bipod legs to the desired height by pulling the notched leg to the desired position.
- Ensure both legs are locked in place before using the bipod.
- Position the bipod on a stable surface and rest your firearm on the bipod.
- Always maintain control of your firearm while using the bipod.

### 3. Height Adjustment

- To adjust the height, press the release button on the leg and slide it to the desired notch.
- Ensure the leg clicks into place and is secure before using.

### 4. PostUse Care

- After use, detach the bipod from the firearm.
- Clean the bipod with a soft cloth to remove dirt and debris.
- Store the bipod in a dry place away from direct sunlight.

## **Disposal Instructions**

- Dispose of the bipod in accordance with local regulations.
- If the bipod is damaged or no longer usable, it should not be discarded in regular household waste.
- Consider recycling materials where possible.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the manufacturer's website or contact their customer support. It is important to have access to assistance for any concerns you may have regarding the bipod.

Thank you for prioritizing safety while using the Caldwell XLA Bipod. Enjoy your shooting experience responsibly!
