# Caldwell 13"30" Accumax Premium Carbon Fiber Bipod Safety Instructions

## Introduction

Thank you for choosing the Caldwell 13"30" Accumax Premium Carbon Fiber Bipod. This product is designed for durability and ease of use. To ensure your safety and the longevity of your bipod, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that the bipod is used in accordance with the manufacturer's instructions.
- Regularly inspect the bipod for any signs of wear or damage before use.
- Keep the bipod out of reach of children and unauthorized users.
- Do not exceed the weight limit specified by the manufacturer.
- Avoid using the bipod in adverse weather conditions that may compromise safety.

## Specific Safety Precautions for Use

- **Weight Limit:** Ensure that the total weight placed on the bipod does not exceed its rated capacity.
- **Stability:** Always set up the bipod on level ground to maintain stability during use.
- **Lock Mechanisms:** Verify that all twistlocks and leg lockouts are securely engaged before use.
- **Panning:** Use the omnidirectional ball head carefully to prevent sudden movements that could cause accidents.
- **Leg Adjustments:** Adjust the leg length incrementally and lock them securely to avoid unexpected collapses.

## Instructions for Installation and Usage

### 1. Installation:

- Identify the sling swivel stud on your firearm.
- Align the bipod attachment with the sling swivel stud.
- Securely fasten the bipod to the stud until it is firmly in place.

### 2. Adjusting Leg Length:

- To extend or shorten the legs, twist the lock mechanism located on each leg.
- Adjust the legs to the desired length and ensure they are locked in place.

### 3. Setting Up the Bipod:

- Place the bipod on stable ground, ensuring that all feet are in contact with the surface.
- Adjust the legs as necessary to achieve a level stance.
- Check that the bipod is stable and secure before mounting your firearm.

### 4. Using the Panning Feature:

- Gently move the firearm side to side while maintaining a firm grip.
- Ensure that the ball head is securely locked to prevent unwanted movement.

### 5. After Use:

- Remove the bipod from the sling swivel stud.

- Store the bipod in a dry, safe place to prevent damage.

## **Disposal Instructions**

- Dispose of the bipod in accordance with local waste management regulations.
- If the bipod is damaged beyond repair, consider recycling materials where possible.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Caldwell 13"30" Accumax Premium Carbon Fiber Bipod, please refer to the manufacturer's customer service resources. Ensure you have the product details available for efficient assistance.

## **Conclusion**

Following these safety instructions will help ensure a safe and enjoyable experience with your Caldwell bipod. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention to these important safety practices.
