# Caldwell 13"30" Accumax Premium Carbon Fiber Bipod Safety Instructions

## Introduction

Thank you for choosing the Caldwell 13"30" Accumax Premium Carbon Fiber Bipod. This guide provides important safety instructions and usage information to ensure your experience with the product is safe and enjoyable. Please read this document carefully before using the bipod.

## General Safety Guidelines

- Ensure that the bipod is used only for its intended purpose.
- Always inspect the bipod before each use for any signs of damage or wear.
- Keep the bipod away from children and vulnerable individuals to prevent accidents.
- Follow all local laws and regulations regarding the use of bipods and firearms.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not exceed the weight limit of the bipod; check the manufacturer's specifications for details.
- Ensure that the bipod is securely attached to the sling swivel stud before use.
- Use the bipod on stable and level ground to prevent tipping or falling.
- Avoid using the bipod in extreme weather conditions that may affect its stability.
- Be cautious when adjusting the leg length to prevent pinching or injury.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the bipod is in its closed position.
- Attach the bipod to the sling swivel stud by aligning the attachment point and securing it firmly.
- Check that the bipod is securely fastened before proceeding.

### 2. Adjusting Leg Length:

- Locate the twistlock mechanism on each leg.
- Twist the lock counterclockwise to release the leg.
- Extend or retract the leg to the desired length.
- Twist the lock clockwise to secure the leg in place.
- Repeat for the other leg.

### 3. Using the Bipod:

- Position the bipod on stable ground.
- Ensure the legs are locked in place and not overextended.
- Utilize the omnidirectional ball head to achieve the desired angle and panning.
- Always maintain control of the firearm while using the bipod.

### 4. Storage:

- When not in use, store the bipod in a cool, dry place.
- Keep the bipod away from direct sunlight and extreme temperatures to prevent damage.

## **Disposal Instructions**

- Dispose of the bipod in accordance with local waste management regulations.
- Do not dispose of the bipod in household waste if it contains materials that require special handling.
- Consider recycling options for carbon fiber materials where applicable.

## **Contact Information for Further Support**

For any questions or concerns regarding the Caldwell 13"30" Accumax Premium Carbon Fiber Bipod, please refer to the manufacturer's website or customer service resources.

By following these safety instructions, you can ensure a safe and effective experience with your Caldwell bipod. Always prioritize safety and stay informed about best practices for using your equipment.
