

# Pic Rail XLA 6"-9" Fixed Black - Pic Rail XLA 9"-13" Fixed Black

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

The Caldwell® Pic Rail XLA Fixed Bipods® provide a stable shooting platform that conveniently attaches to almost any Pic Rail forearm. The Pic Rail XLA Fixed Bipods feature a light weight aluminum design, quick deployment with spring loaded legs, adjustable leg height for perfect positioning and soft rubber feet for enhanced stability. The cam over lever secures the bipod to the pic rail firmly, and the Pic Rail XLA Bipods are also collapsible for leaving on your firearm for easy transport.

# Caldwell Pic Rail XLA Fixed Bipods Safety Instruction Guide

## Introduction

Thank you for choosing the Caldwell Pic Rail XLA Fixed Bipods. These bipods are designed to provide a stable shooting platform that can be easily attached to most Pic Rail forearms. This safety instruction guide is intended to ensure your safe use of the product while complying with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the bipods are intended for use with firearms that comply with your local laws and regulations.
- Always handle firearms with care and ensure they are unloaded when attaching or detaching the bipods.
- Keep the bipods out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the bipods for any signs of wear or damage before each use.
- If you notice any defects or issues, discontinue use immediately and contact the manufacturer for assistance.

## Specific Safety Precautions for Use

- Always ensure the bipods are securely attached to the Pic Rail before use.
- Avoid using the bipods in wet or slippery conditions to prevent accidents.
- Do not exceed the recommended weight limit of the bipods to avoid damage or failure.
- Use the bipods only for their intended purpose; do not modify or alter them in any way.
- Be mindful of your surroundings and ensure a clear shooting area when using the bipods.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the bipod's attachment mechanism with the Pic Rail on your firearm.
- Securely fasten the cam over lever to lock the bipod in place.
- Check that the bipod is firmly attached by gently pulling on it.

### 2. Usage

- Adjust the leg height of the bipods to achieve the desired shooting position.
- Ensure the rubber feet are in contact with the ground for enhanced stability.
- Deploy the bipods by pressing the springloaded legs outwards until they lock into place.
- When finished, collapse the bipods by pressing the release button and folding the legs back.

## Disposal Instructions

- Dispose of the bipods in accordance with local regulations regarding aluminum and plastic waste.
- Do not dispose of the bipods in household waste if they are damaged or contain hazardous materials.
- Consider recycling the materials if possible.

## Contact Information for Further Support

For safety inquiries or concerns regarding the Caldwell Pic Rail XLA Fixed Bipods, please refer to the

manufacturer's contact information provided with your product packaging or visit their official website.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your Caldwell Pic Rail XLA Fixed Bipods. Always prioritize safety and compliance with local regulations when using firearms and accessories.
