# Caldwell 13"30" Accumax Premium Carbon Fiber Bipod MLOK, KeyMod Safety Instructions

## Introduction

Thank you for choosing the Caldwell 13"30" Accumax Premium Carbon Fiber Bipod MLOK, KeyMod. This product is designed to enhance your shooting experience while ensuring your safety. Please read this safety instruction guide carefully to understand how to use the bipod safely and effectively.

## General Safety Guidelines

- Always ensure that the bipod is securely attached to your firearm before use.
- Avoid using the bipod in adverse weather conditions, such as high winds or heavy rain, which may affect stability.
- Keep the bipod out of reach of children and pets when not in use.
- Regularly inspect the bipod for any signs of wear or damage before each use.
- If you notice any damage or malfunction, discontinue use and contact customer support.

## Specific Safety Precautions for Use

- Ensure that the bipod legs are fully extended and locked in place before use.
- Do not exceed the recommended weight limit of the bipod; overloading may cause failure.
- Be cautious when adjusting the leg length; ensure your fingers are clear of the locking mechanism to avoid pinching.
- When using the bipod on uneven terrain, ensure that it is stable and secure to prevent tipping.
- Always point the firearm in a safe direction when adjusting the bipod or making any changes.

## Instructions for Installation and Usage

### 1. Installation:

- Select the appropriate mounting method (MLOK, KeyMod, Swivel Stud Mount, or Pic Rail).
- For MLOK:
  - Align the bipod with the MLOK slots on your firearm.
  - Insert the provided screws and tighten securely.
- For KeyMod:
  - Attach the KeyMod adapter plate to the bipod.
  - Align the plate with the KeyMod slots and tighten.
- For Swivel Stud Mount:
  - Attach the bipod to the swivel stud on your firearm.
- For Pic Rail:
  - Slide the bipod onto the Pic Rail and tighten the locking mechanism.

### 2. Adjusting Leg Length:

- To adjust the leg length, twist the locking mechanism counterclockwise to release.
- Extend or retract the legs to the desired length.
- Twist the locking mechanism clockwise to secure the legs in place.

### 3. Using the Bipod:

- Position the bipod on a stable surface.
- Ensure the legs are locked in the desired position (forward, 90degree, or backward).

- Rest your firearm on the bipod, ensuring it is securely supported.

## **Disposal Instructions**

- Dispose of the bipod in accordance with local regulations regarding electronic and nonfood product waste.
- Do not dispose of the bipod in regular household waste.
- Consider recycling materials where possible to reduce environmental impact.

## **Contact Information for Further Support**

For safety inquiries, product support, or to report any issues, please refer to the manufacturer's contact details provided with your product packaging.

By following these guidelines, you can ensure a safe and effective experience with your Caldwell 13"30" Accumax Premium Carbon Fiber Bipod MLOK, KeyMod. Thank you for your attention to safety.
