

Pic Rail Phone Mount

[Shooting Accessories](#)

The Caldwell® Pic Rail Phone Mount is designed to be used with most any smartphone, on any picatinny rail, as a camera or to display ballistics or other data when shooting or hunting. The unique, padded adapter allows virtually any smartphone to be used in or outside of a case in both portrait and landscape mode. Mount your smartphone for unique action footage or turn it around for third-person perspective shots. The detachable mount on the Pic Rail Phone Mount allows the bracket to be removed for carrying or transporting. The adjustable bracket with screws allows the camera angle to be easily adjusted and locked into place. The aluminum construction makes this mount extremely durable and easily resists recoil of even large magnums or shotguns.

Caldwell Pic Rail Phone Mount Safety Instructions

Introduction

Thank you for choosing the Caldwell® Pic Rail Phone Mount. This product is designed to securely hold your smartphone on any picatinny rail, allowing you to capture unique footage or display important data while shooting or hunting. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always inspect the mount and your smartphone for any damage before use.
- Ensure that the mount is securely attached to the picatinny rail before mounting your smartphone.
- Do not exceed the weight limit specified for the mount to prevent accidents.
- Use the mount only for its intended purpose as described in this manual.
- Keep the mount and smartphone away from children and vulnerable individuals.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.
- Stay informed about any recalls or safety alerts by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the smartphone is properly seated in the mount to avoid it falling out during use.
- Do not attempt to adjust the camera angle while the firearm is loaded or in a dangerous position.
- Avoid using the mount in extreme weather conditions that may affect the performance of your smartphone.
- Do not use the mount while driving or operating heavy machinery.
- Be aware of your surroundings and ensure that the area is safe when using the mount.
- Regularly check that the screws and adjustable bracket are secure to prevent any unexpected movement.

Instructions for Installation and Usage

1. Installation:

- Locate the picatinny rail on your firearm.
- Align the Caldwell Pic Rail Phone Mount with the rail and slide it into place until it clicks securely.
- Use the provided screws to tighten the mount if necessary, ensuring it is firmly attached.

2. Mounting Your Smartphone:

- Open the padded adapter of the mount.
- Place your smartphone into the adapter, ensuring it is secure and fits snugly.
- Close the adapter to hold the smartphone in place.

3. Adjusting the Camera Angle:

- Loosen the adjustable bracket screws to allow for movement.
- Position the smartphone to the desired angle for shooting or recording.
- Tighten the screws to lock the angle in place.

4. Detaching the Mount:

- If you need to remove the mount, simply unscrew it from the picatinny rail.
- Carefully detach the smartphone from the mount by opening the adapter.

5. Using Your Smartphone:

- Use the smartphone to record video or display data as needed.
- Switch between portrait and landscape mode as desired for optimal viewing.

Disposal Instructions

- Dispose of the Caldwell Pic Rail Phone Mount and any packaging materials in accordance with local regulations.
- Do not dispose of the product in regular household waste. Look for designated recycling points for electronic accessories.
- If the product is damaged or no longer usable, ensure it is disposed of safely to avoid any environmental harm.

Contact Information for Further Support

For safety inquiries or support related to the Caldwell Pic Rail Phone Mount, please reach out to the designated contact point in the EU. Ensure that you have your product details and any relevant information ready for assistance.

Thank you for your attention to these safety guidelines. We hope you enjoy using your Caldwell Pic Rail Phone Mount safely and effectively.
