

# Max Grip Sling, Black - Max Grip Sling, Flat Dark Earth

## Shooting Accessories

The Caldwell® Max Grip Sling's ergonomic shape is designed to spread the weight of the firearm for a comfortable carry. The over-molded design of the material grips your shoulder so the firearm stays put no matter how strenuous your hike is. The sling is completely sealed to be scent free and not take in any moisture as you hunt through all of the elements. If you want a sling that is going to stay put and be comfortable to carry all day, the Caldwell® Max grip is the sling for you!

# Caldwell Max Grip Sling Safety Instruction Guide

## Introduction

Thank you for choosing the Caldwell® Max Grip Sling. This guide provides essential safety instructions to ensure the safe and effective use of your sling. Please read this guide thoroughly before using the product.

## General Safety Guidelines

- Ensure that the sling is used only for its intended purpose: to carry firearms safely and comfortably.
- Always inspect the sling for any signs of wear or damage before use. Do not use if damaged.
- Keep the sling out of reach of children and vulnerable individuals when not in use.
- Report any unsafe products or accidents to local authorities and check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the sling.
- When using the sling, ensure it is properly adjusted to fit your body to avoid discomfort or accidents.
- Avoid using the sling in wet or slippery conditions, as this may affect grip and control.
- Do not exceed the weight limit specified by the manufacturer for the sling.
- Always be aware of your surroundings and ensure that the firearm is pointed in a safe direction when using the sling.

## Instructions for Installation and Usage

### 1. Installation

- Locate the attachment points on your firearm.
- Attach the sling to the firearm using the designated clips or loops. Ensure that the attachments are secure.
- Adjust the length of the sling for a comfortable fit. The sling should allow for easy access to the firearm while ensuring it remains secure.

### 2. Usage

- When carrying the firearm with the sling, ensure that it is positioned securely against your body.
- Adjust the sling as needed for comfort during extended use.
- Always maintain control of the firearm, ensuring it does not swing freely while using the sling.

## Disposal Instructions

- Dispose of the sling in accordance with local regulations regarding textile waste.
- If the sling is damaged or no longer usable, ensure it is disposed of safely to prevent accidental use.

## Contact Information for Further Support

For any inquiries regarding safety or product usage, please contact your local Caldwell representative or visit the official Caldwell website for additional resources.

By following these guidelines, you can ensure a safe and enjoyable experience with your Caldwell® Max Grip Sling. Thank you for your attention to safety.
