

Mag Plus Recoil Shield (Ambidextrous)

[Shooting Accessories](#)

The Magnum Recoil Shield is designed to provide unparalleled recoil protection while sighting in your rifle, benchrest shooting, or participating in many other shooting activities. The size and shape of the Magnum Recoil Shield creates the perfect combination of function and comfort. It can be worn on the left or right shoulder and attaches with an easily adjustable side closure for a secure fit. The leather on the front secures the gun in place, while the leather on the back of the shield provides a comfortable feel and prevents the shield from sliding around on your shoulder. The shield's 1/2" thick, energy-absorbing pad provides excellent protection for calibers up to 300 Winchester Magnum.

Caldwell Mag Plus Recoil Shield Safety Instructions

Introduction

Thank you for choosing the Caldwell Mag Plus Recoil Shield (Ambidextrous). This product is designed to provide superior recoil protection during shooting activities. To ensure safe usage and optimal performance, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure the recoil shield is used only for its intended purpose.
- Always inspect the recoil shield before each use for any signs of damage or wear.
- Keep the recoil shield out of reach of children when not in use.
- Do not use the recoil shield if it shows signs of damage or if the materials have degraded.
- Always wear appropriate eye and ear protection when shooting.

Specific Safety Precautions for Use

- The recoil shield is designed to fit both left and right shoulders. Ensure it is worn correctly for maximum comfort and protection.
- Adjust the side closure to ensure a secure fit. The recoil shield should not slide around during use.
- Use the recoil shield with firearms that do not exceed the protection limit of the 1/2" thick energyabsorbing pad (up to .300 Winchester Magnum).
- Avoid exposing the recoil shield to extreme temperatures or harsh chemicals, as this may compromise its integrity.
- If you experience discomfort while using the recoil shield, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Fitting the Recoil Shield:

- Hold the recoil shield with the leather side facing your shoulder.
- Place the shield on your shoulder, ensuring it is positioned comfortably.
- Adjust the side closure strap to secure the shield in place. Ensure it is snug but not overly tight.

2. Using the Recoil Shield:

- Position your firearm against the leather front of the recoil shield.
- Ensure the firearm is properly secured and that the shield is providing adequate cushioning against recoil.
- Maintain a proper shooting stance and be aware of your surroundings.

3. PostUse Care:

- After use, remove the recoil shield and inspect it for any damage.
- Clean the shield with a damp cloth if necessary, and allow it to dry completely before storing.
- Store the recoil shield in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of the recoil shield in accordance with local regulations.
- If the recoil shield is damaged beyond repair, consider recycling the materials if possible.
- Do not dispose of the recoil shield in regular household waste if it contains nonbiodegradable materials.

Contact Information for Further Support

For any inquiries regarding the Caldwell Mag Plus Recoil Shield or safety concerns, please reach out to the designated EU contact point for assistance. Ensure you have the product information available for reference.

By following these safety instructions, you can ensure a safer and more enjoyable shooting experience with the Caldwell Mag Plus Recoil Shield. Thank you for your attention to safety.
