# Caldwell Orange Bullseye Orange Peel 2" Bullseye Safety Instruction Guide

## Introduction

Thank you for choosing the Caldwell Orange Bullseye Orange Peel 2" Bullseye Targets. These targets are designed to enhance your shooting experience by providing clear visibility of hits. To ensure your safety and the safety of others while using this product, please read and follow the guidelines outlined in this instruction guide.

## General Safety Guidelines

- Always ensure that you are in a safe shooting environment before using the targets.
- Use targets only in designated shooting ranges or areas where shooting is permitted.
- Always wear appropriate eye and ear protection when shooting.
- Keep the shooting area clear of unauthorized personnel, especially children and pets.
- Regularly inspect targets for damage before use. Do not use damaged targets.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the target is securely mounted or placed in a stable position to prevent it from falling or being blown away.
- Avoid shooting at targets in high winds or adverse weather conditions that may affect accuracy.
- Do not attempt to reuse targets that have been significantly damaged or have lost their flakeoff technology effectiveness.
- Be aware of your surroundings and ensure that the area behind the target is safe and free of obstacles.

## Instructions for Installation and Usage

### 1. Installation:

- Choose a suitable location for your target, ensuring it is at a safe distance from any bystanders.
- If using a target stand, ensure it is stable and securely positioned.
- Mount the target at eye level for optimal visibility.
- Use tape or clips to secure the target to a board or stand, ensuring it is flat and not wrinkled.

### 2. Usage:

- Before shooting, doublecheck that the target is properly installed and that the area is clear.
- Use appropriate firearms or air guns as specified by the manufacturer for the best performance.
- Aim carefully and take your time with each shot to ensure accuracy.
- After shooting, inspect the target for hits to assess your performance. The dualcolor flakeoff technology will allow you to see where you hit immediately.

## Disposal Instructions

- Dispose of used targets in accordance with local waste disposal regulations.
- Do not burn targets or expose them to extreme heat, as they may contain materials that can be harmful when burned.
- If you encounter any damaged targets, dispose of them safely to prevent injury or environmental harm.
