

# CROSS MAG 10/10 (set of two magazines) - CROSS MAG 10/10 - 50 sets

[Magazines](#) > [Rifle Magazines](#)

## Don't limit - double it!

Many shooters prefer the handling of a 30-round magazine but might not be able to use one due to restrictions or legislation.

The 10/10 CROSS MAG from Cross Industries is the perfect solution! In next to no time two mags can be coupled to each other in four different ways without the use of any tools. Thus one can adjust the configuration to his personal preference.

# CROSS MAG 10/10 Safety Instruction Guide

## Introduction

Thank you for choosing the CROSS MAG 10/10, a set of two magazines designed for use with various firearms. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only by individuals who are familiar with firearms and their operation.
- Always treat magazines as if they are loaded.
- Store the magazines in a safe and secure location, out of the reach of children and unauthorized users.
- Regularly inspect the magazines for any signs of damage or wear before use.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- Do not attempt to modify or alter the magazines in any way.
- Ensure that the magazine is properly seated in the firearm before use.
- Be aware of your surroundings and ensure that the area is safe before loading or unloading the magazine.
- Do not exceed the magazine capacity as specified by the manufacturer.
- Always use appropriate ammunition that is compatible with the magazine and firearm.

## Instructions for Installation and Usage

### 1. Coupling the Magazines:

- Align the two magazines side by side.
- Press the coupling mechanism to connect the magazines securely.
- Ensure that the magazines are coupled in one of the four configurations provided.

### 2. Loading the Magazines:

- Hold the magazine with the open side facing up.
- Insert the rounds into the magazine, ensuring that they are seated correctly.
- Do not force rounds into the magazine; if resistance is felt, check for proper alignment.

### 3. Loading the Firearm:

- Insert the loaded magazine into the firearm until it clicks into place.
- Ensure the firearm is pointed in a safe direction during this process.
- If necessary, pull the charging handle or slide to chamber a round.

### 4. Unloading the Magazines:

- Always point the firearm in a safe direction.
- Remove the magazine from the firearm by pressing the magazine release button.
- To unload the magazine, press the follower down and remove the rounds.
- Store the magazines in a safe location after use.

## Disposal Instructions

- Dispose of the magazines in accordance with local regulations.
- If the magazines are damaged or no longer usable, consider recycling the polymer material if possible.
- Ensure that all ammunition is removed before disposing of the magazines.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the CROSS MAG 10/10, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Please remember to report any unsafe products or accidents to the appropriate authorities and check for recall updates on the EU's Safety Gate platform. Your safety is our priority, and we appreciate your commitment to responsible firearm use.
