# CROSS MAG 10/10 Safety Instruction Guide

## Introduction

Thank you for choosing the CROSS MAG 10/10 magazines from Cross Industries. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your product. Please read this document carefully before using the magazines.

## General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding magazine capacity and usage.
- Always handle magazines with care and treat them as if they are loaded.
- Store magazines in a secure location, out of reach of children and unauthorized users.
- Inspect magazines regularly for any signs of damage or wear.
- Do not modify the magazines in any way that could compromise their safety or functionality.
- Report any unsafe products or accidents to the relevant authorities and check for recall updates.

## Specific Safety Precautions for Use

- Always ensure that the magazine is properly seated in the firearm before use.
- Do not overload the magazine beyond its specified capacity.
- Avoid using magazines in extreme temperatures that may affect performance.
- Be cautious when coupling magazines together; ensure they are securely attached before use.
- Do not attempt to disassemble the magazine for any reason.
- Always keep the firearm pointed in a safe direction when loading or unloading.

## Instructions for Installation and Usage

### 1. Coupling Magazines:

- Align the two CROSS MAG 10/10 magazines side by side.
- Slide the coupling mechanism into place until you hear a click, indicating a secure connection.
- Repeat this process to adjust the configuration as desired.

### 2. Loading the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Insert the ammunition into the magazine, ensuring that they are seated properly.
- Confirm that the magazine is not overloaded.

### 3. Using the Magazine:

- Insert the magazine into the firearm until it locks into place.
- Check the load status through the transparent polymer to ensure the magazine is adequately filled.
- When finished, remove the magazine by pressing the magazine release button on your firearm.

## Disposal Instructions

- Dispose of magazines in accordance with local regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it. Instead, contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the CROSS MAG 10/10 magazines, please contact the manufacturer directly. Ensure you have your product information ready for reference.

Thank you for following these safety guidelines. Your safety and satisfaction are our top priorities.
