# CROSS MAG 10/10 Safety Instruction Guide

## Introduction

Thank you for choosing the CROSS MAG 10/10, a set of two magazines designed for enhanced shooting experience. This guide provides important safety instructions and guidelines to ensure the safe use of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the CROSS MAG 10/10 is used only with compatible firearms, specifically the AR15 platform.
- Always handle magazines and firearms responsibly and in accordance with local laws and regulations.
- Keep the magazines out of reach of children and vulnerable individuals.
- Regularly inspect the magazines for any signs of damage or wear. Do not use damaged magazines.
- Store the magazines in a safe and secure location when not in use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that the firearm is pointed in a safe direction when loading or unloading the magazine.
- Do not attempt to modify or alter the magazine in any way.
- Be aware of the load status of the magazine. The transparent polymer allows for easy visibility of the rounds.
- Never exceed the magazine's capacity of 10 rounds.
- Use only the recommended cartridges: .223 Remington, 5.56 mm NATO, .300 AAC Blackout, or .458 SOCOM.
- When coupling magazines, follow the instructions carefully to avoid injury.

## Instructions for Installation and Usage

- To couple the magazines:
  - Align the two magazines back to back or side by side.
  - Press the coupling mechanisms together until you hear a click, indicating a secure connection.
  - Repeat the process to couple in different configurations as desired.
- To load the magazine:
  - Ensure the magazine is free of obstructions.
  - Insert rounds into the magazine, ensuring they are seated properly.
  - Do not force rounds into the magazine; this may cause jams or malfunctions.
- To detach the magazines:
  - Press the release button or mechanism on the coupling to separate the magazines.
- To use the magazine with a closed bolt:
  - Insert the magazine into the firearm.
  - Ensure the bolt is in the closed position before loading.
  - Pull the charging handle to chamber a round.

## Disposal Instructions

- Dispose of the CROSS MAG 10/10 in accordance with local regulations for plastic and polymer materials.
- Do not dispose of the product in household waste. Instead, find a designated recycling facility or program that accepts such materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the CROSS MAG 10/10, please refer to the manufacturer's website or customer service resources for assistance.

Thank you for prioritizing safety while enjoying your CROSS MAG 10/10. Your adherence to these guidelines helps ensure a safe and enjoyable shooting experience.
