

Golden Eagle HD 15-60x52 SCR-1 SFP MOA

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

Competitive shooters require a very specific set of features to stay ahead of the competition, and The Golden Eagle hits the mark (pun intended). The 15-60x magnification, fine reticle, and positive and repeatable tracking are perfect for fine tuning that record shot. Plus, its relatively light weight - 29.5 oz. - allows shooters to adhere to strict competition weight limits.

Whether you're interested in Rimfire Bench Rest, Centerfire Bench Rest, NRA High-Power or F-Class competitions, this is the scope for you.

VORTEX OPTICS Golden Eagle HD 1560x52 Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Golden Eagle HD 1560x52. This guide provides essential safety instructions and guidelines to ensure the safe use of your rifle scope. Please read this guide carefully before using the product to maximize your safety and performance.

General Safety Guidelines

- Always handle your rifle scope with care to avoid damage.
- Ensure that the scope is securely mounted to your rifle before use.
- Keep the scope and its components clean and free from debris.
- Store the scope in a safe, dry place when not in use.
- Regularly inspect the scope for any signs of wear or damage.
- Use the scope only for its intended purpose to avoid accidents.

Specific Safety Precautions for Use

- Never look directly at the sun through the scope, as this can cause permanent eye damage.
- Ensure that the area is clear of people and obstacles before taking a shot.
- Always use proper shooting techniques and follow local laws and regulations regarding firearm use.
- Keep the scope out of reach of children and unauthorized users.
- If any part of the scope is damaged or malfunctioning, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation

- Ensure you have all necessary mounting hardware included in the package.
- Follow the manufacturer's instructions for mounting the scope securely onto your rifle.
- Adjust the scope to your preferred eye relief (3.90 inches) and ensure that it is level.
- Tighten all screws and check for stability before use.

2. Usage

- Adjust the magnification between 15x and 60x as needed for your shooting conditions.
- Use the SCR1 MOA reticle for precise aiming.
- Familiarize yourself with the click value of 1/8 MOA for adjustments.
- Always check your target and surroundings before firing.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the scope in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries, please refer to the manufacturer's contact information provided with your product or

visit their official website.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your VORTEX OPTICS Golden Eagle HD 1560x52. Always prioritize safety and responsibility in all shooting activities. Thank you for your attention to these important safety measures.
