

Golden Eagle HD 15-60x52 ECR-1 SFP MOA

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

Competitive shooters require a very specific set of features to stay ahead of the competition, and The Golden Eagle hits the mark (pun intended). The 15-60x magnification, fine reticle, and positive and repeatable tracking are perfect for fine tuning that record shot. Plus, its relatively light weight - 29.5 oz. - allows shooters to adhere to strict competition weight limits.

Whether you're interested in Rimfire Bench Rest, Centerfire Bench Rest, NRA High-Power or F-Class competitions, this is the scope for you.

VORTEX OPTICS Golden Eagle HD 1560x52 Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Golden Eagle HD 1560x52. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your rifle scope. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a rifle scope.
- Always handle the scope with care to prevent damage.
- Keep the scope out of reach of children and unauthorized users.
- Regularly inspect the scope for any signs of damage or wear.
- Do not attempt to modify or repair the scope yourself; seek professional assistance if needed.
- Follow all local laws and regulations regarding the use of firearms and scopes.

Specific Safety Precautions for Use

- Always ensure that the firearm is pointed in a safe direction when mounting or adjusting the scope.
- Use the scope only on firearms for which it is designed and rated.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the scope.
- Do not use the scope in conditions that may impair visibility, such as heavy rain or fog.
- Avoid using the scope if it shows signs of damage, such as cracked lenses or loose components.
- Ensure that the scope is securely mounted before use to prevent it from becoming dislodged during operation.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded before beginning installation.
- Mount the scope according to the manufacturer's instructions, ensuring it is securely fastened.
- Check that the reticle is level and aligned with the firearm.

2. Usage:

- Adjust the magnification according to your shooting needs, between 15x and 60x.
- Use the fine reticle for precision aiming.
- Maintain proper eye relief (3.90 inches) to prevent injury during recoil.
- Regularly check and adjust the scope for accuracy before shooting.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the scope in household waste.
- If the scope is damaged beyond repair, contact your local waste management service for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the VORTEX OPTICS Golden Eagle HD 1560x52, please refer to the manufacturer's contact information provided in the product packaging or on the official website.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and enjoyable experience with your VORTEX OPTICS Golden Eagle HD 1560x52 rifle scope.
