

# Viper HS 4-16x50 BDC-2 - VORTEX OPTICS Viper HS LR 4-16x50 BDC-2

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The HS LR (Long Range) 4-16x50mm scopes are specifically designed for super-accurate, long-range performance. They include all the capable features of the standard HS series, plus Vortex's CRS (Customizable Rotational Stop) Zero Stop elevation turret. These ultra-precise, target-style turrets ensure that zero is maintained after dialing up large elevation corrections.

13.7" long  
22 oz. Weight  
Matte black finish.

# VORTEX OPTICS Viper HS 416x50 BDC2 Safety Instruction Guide

## Introduction

Thank you for choosing the VORTEX OPTICS Viper HS 416x50 BDC2. This guide provides essential safety instructions to ensure the safe and effective use of your scope. Please read this guide carefully before installation and usage to avoid potential hazards.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a rifle scope.
- Always handle the scope with care to prevent damage.
- Keep the scope out of reach of children and vulnerable individuals.
- Regularly check the scope for any signs of damage or wear before use.
- Report any unsafe conditions or incidents to local authorities.

## Specific Safety Precautions for Use

- Do not look directly at the sun through the scope, as this can cause serious eye injury.
- Ensure that the scope is securely mounted to prevent it from coming loose during use.
- Use the scope in accordance with all local laws and regulations regarding firearm usage.
- Avoid using the scope in extreme weather conditions that may affect its performance.
- Store the scope in a dry and cool environment to prevent moisture damage.

## Instructions for Installation and Usage

### 1. Installation:

- Select a suitable mounting position on your rifle.
- Ensure that the rifle is unloaded before mounting the scope.
- Securely attach the scope to the rifle using the provided mounting rings and screws.
- Make sure the scope is level and aligned with the rifle's barrel.

### 2. Usage:

- Adjust the magnification settings as needed for your shooting conditions.
- Use the elevation and windage turrets to zero the scope according to your shooting distance.
- Ensure proper eye relief by positioning your eye at the correct distance from the eyepiece.
- Regularly check and adjust the settings as necessary for optimal performance.

## Disposal Instructions

- Dispose of the scope in accordance with local regulations regarding electronic waste.
- Do not dispose of the scope in regular household waste.
- Contact your local waste management facility for proper disposal methods.

## Contact Information for Further Support

For any inquiries or additional support regarding the VORTEX OPTICS Viper HS 416x50 BDC2, please refer to the manufacturer's contact options available on their official website or packaging.

## **Conclusion**

Following these safety instructions will help ensure a safe and enjoyable experience with your VORTEX OPTICS Viper HS 416x50 BDC2. Always prioritize safety and responsible use. Thank you for choosing Vortex!
