

Diamondback Tactical FFP 4-16x44 MRAD

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

Want the performance of a high-dollar optic while paying a fraction of the price?

It sounds impossible, but the Vortex Diamondback Tactical 4-16x44mm FFP Riflescope offers just that, bringing high-end features to the average shooter. Thanks to the first-focal plane design, the Vortex Diamondback Tactical 4-16x44mm FFP Riflescope allows users to observe the target at any magnification level using the feature-rich EBR-2C reticle. This means that elevation, windage and distance can all be discerned just by looking through the optic!

Each Vortex Diamondback Tactical 4-16x44mm FFP Riflescope is built on a single-piece aluminum tube complete with fully multi-coated lenses and low-profile, easy-use turrets.

Adjustment value: 0.25 MOA

Built on a 30mm tube

Overall length: 14 inches

Matte-black finish

VORTEX OPTICS Diamondback Tactical FFP 416x44 Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Diamondback Tactical FFP 416x44 Riflescope. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new optic. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle the riflescope with care to avoid damage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the riflescope for any signs of damage or malfunction.
- Follow all local laws and regulations regarding the use of firearms and optics.

Specific Safety Precautions for Use

- Before using the riflescope, familiarize yourself with its features and operation.
- Always ensure that the firearm is unloaded when attaching or detaching the riflescope.
- Avoid looking directly at the sun through the riflescope, as it may cause permanent eye damage.
- Ensure that the riflescope is securely mounted to the firearm to prevent it from loosening during use.
- Use protective eyewear when firing the firearm equipped with the riflescope.
- Do not attempt to disassemble or modify the riflescope, as this may void the warranty and pose safety risks.

Instructions for Installation and Usage

1. Installation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Select a suitable mounting location on the firearm.
- Securely attach the riflescope to the firearm using the appropriate mounting rings or bases.
- Tighten all screws and bolts to the manufacturer's specifications to ensure a secure fit.

2. Usage

- Adjust the magnification level according to your preference and shooting conditions.
- Use the EBR2C reticle for accurate targeting. Familiarize yourself with how to read the reticle at different magnifications.
- Regularly check the zeroing of the riflescope to ensure accuracy over time.
- Clean the lenses using a microfiber cloth to maintain visibility and performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the riflescope in household waste.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's website or contact their customer support.

Thank you for choosing VORTEX OPTICS. Your safety and satisfaction are our top priorities. Enjoy your shooting experience!
