VORTEX OPTICS Crossfire II 412x50 BDC AO w/Sunshade Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Crossfire II 412x50 BDC AO w/Sunshade. This product is designed to enhance your shooting experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of your product safely.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a rifle scope.
- Always follow local laws and regulations regarding the use of firearms and optics.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the scope for any signs of damage or wear before each use.
- If the product is damaged, do not attempt to use it. Contact customer support for assistance.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- **Magnification and Clarity:** Use the appropriate magnification setting for your shooting distance. Ensure the lens is clean for optimal clarity.
- **Eye Relief:** Maintain a safe distance of 3.9 inches from the eyepiece to avoid injury from recoil.
- **Field of View:** Be aware of your field of view (25.78.4 ft/100 yds) to ensure you can track your target safely.
- **Parallax Setting:** Adjust the parallax setting according to your shooting distance (10 yards to infinity) to enhance accuracy.
- **Secure Mounting:** Ensure that the scope is securely mounted on your rifle to prevent it from shifting during use.

Instructions for Installation and Usage

1. Installation:

- Select a compatible rifle and ensure it is unloaded.
- Use appropriate mounting rings to secure the scope to the rifle.
- Align the scope with the rifle's barrel for proper aiming.
- Tighten the mounting screws securely but avoid overtightening, which may damage the scope.

2. Usage:

- Before using the scope, adjust the magnification to your desired setting (412x).
- Look through the scope and adjust the focus for clarity.
- Use the sunshade to reduce glare during bright conditions.
- Always aim in a safe direction and ensure your target is clearly visible.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and nonbiodegradable materials.
- Do not dispose of the product in regular household waste.
- Consider recycling options available in your area to minimize environmental impact.

Contact Information for Further Support

For any inquiries or assistance regarding safety, usage, or maintenance of the VORTEX OPTICS Crossfire II 412x50 BDC AO w/Sunshade, please reach out to your local authorized dealer or customer service representative.

By following these safety instructions, you can ensure a safe and enjoyable experience with your VORTEX OPTICS Crossfire II 412x50 BDC AO w/Sunshade. Thank you for prioritizing safety and responsible use.
