

Crossfire II 3-9x40 V-Brite Illuminated

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

High performance meets economical. Clear, tough, and bright, our popular Crossfire II line is built to exceed the performance standards of similarly priced riflescopes. Long eye relief, a fast-focus eyepiece, fully multi-coated lenses, and resettable MOA turrets are hallmarks of the series.

VORTEX OPTICS Crossfire II 39x40 VBrite Illuminated Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Crossfire II 39x40 VBrite Illuminated riflescope. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before using the riflescope.

General Safety Guidelines

- Ensure that the product is suitable for your intended use.
- Always handle the riflescope with care to avoid damage.
- Keep the riflescope out of reach of children and vulnerable individuals.
- Regularly inspect the riflescope for any signs of damage or wear.
- If you notice any irregularities, stop using the product immediately and seek assistance.

Specific Safety Precautions for Use

- Always use the riflescope in accordance with local laws and regulations regarding firearms and optics.
- Do not look directly at the sun through the riflescope as it may cause permanent eye damage.
- Ensure that the riflescope is securely mounted to your firearm before use.
- Avoid using the riflescope in extreme weather conditions that may affect its performance.
- Be aware of your surroundings when using the riflescope to ensure the safety of yourself and others.

Instructions for Installation and Usage

1. Installation:

- Choose a suitable mounting location on your firearm.
- Securely attach the riflescope using appropriate mounting rings and bases.
- Ensure that the riflescope is level and properly aligned with the barrel.

2. Usage:

- Adjust the magnification by rotating the magnification ring to the desired setting (3x to 9x).
- Use the fastfocus eyepiece to achieve a clear sight picture.
- Adjust the turrets for windage and elevation as needed. Reset the turrets to zero after sighting in.
- Maintain a proper eye relief of 3.8 inches to avoid recoil injuries.

Disposal Instructions

- Dispose of the riflescope in accordance with local regulations.
- Do not dispose of the riflescope with regular household waste.
- If the product is damaged beyond repair, consider recycling components where possible.

Contact Information for Further Support

For any questions or concerns regarding the VORTEX OPTICS Crossfire II 39x40 VBrite Illuminated riflescope, please refer to the manufacturer's website or contact your local retailer for assistance.

Thank you for choosing VORTEX OPTICS. Your safety and satisfaction are our top priorities.
