VORTEX OPTICS Crossfire II 27x32 Scout Scope

Safety Instructions

Introduction

Thank you for choosing the VORTEX OPTICS Crossfire II 27x32 Scout Scope. This guide provides essential safety instructions and usage guidelines to ensure a safe and effective experience with your new scope. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure the scope is used only for its intended purpose.
- Always handle firearms and scopes with care and respect.
- Keep the scope out of reach of children and unauthorized users.
- Regularly inspect the scope for any signs of damage or wear.
- If you notice any defects or issues, discontinue use immediately and seek assistance.
- Follow local laws and regulations regarding the use of firearm accessories.

Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using firearms equipped with a scope.
- **Mounting Safety:** Ensure the scope is securely mounted to prevent it from loosening during use.
- **Target Identification:** Always positively identify your target before taking a shot.
- **Environmental Awareness:** Be aware of your surroundings and ensure that no one is in the line of fire.
- **Shooting Position:** Use a stable shooting position to maintain control and accuracy.
- **Weather Conditions:** Avoid using the scope in extreme weather conditions that may impair visibility or performance.

Instructions for Installation and Usage

Installation

1. **Select Mounting Base:** Choose a suitable mounting base compatible with the Vortex Scout Scope.
2. **Attach Scope Rings:** Securely attach the scope rings to the mounting base, ensuring they are tightened to the manufacturer's specifications.
3. **Position the Scope:** Carefully place the scope into the rings, aligning it with the rifle's bore.
4. **Level the Scope:** Use a level to ensure the scope is properly aligned before tightening the rings.
5. **Tighten Securely:** Firmly tighten the scope rings, checking for stability.

Usage

- **Adjusting Magnification:** Rotate the magnification ring to set the desired zoom level between 2x and 7x.
- **Focusing the Reticle:** Adjust the eyepiece focus to ensure the reticle is sharp and clear.
- **Eye Relief:** Maintain a distance of 9.45 inches from the eyepiece to your eye for optimal safety and performance.
- **Zeroing the Scope:** Follow the manufacturer's instructions for zeroing the scope to ensure accuracy.

Disposal Instructions

- Dispose of the scope responsibly in accordance with local regulations.
- Do not dispose of the scope in household waste.
- Check for any recycling programs or hazardous waste facilities in your area.
