VORTEX OPTICS Precision Extended Cantilever 30mm Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Precision Extended Cantilever 30mm. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a mounting solution for riflescopes.
- Always handle the cantilever mount with care to avoid injury or damage to the product.
- Regularly check the mount for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm and scope usage.

Specific Safety Precautions for Use

- **Installation Location:** Ensure that the installation area is clean and free from obstructions.
- **Eye Protection:** Always wear appropriate eye protection when handling firearms and scopes.
- **Secure Mounting:** Ensure that the cantilever mount is securely fastened to prevent it from loosening during use.
- **Weight Limit:** Do not exceed the weight limit of the mount as specified by the manufacturer.
- **Scope Compatibility:** Confirm that your riflescope is compatible with the 30mm diameter of the cantilever mount.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a torque wrench and appropriate screwdrivers.
- Ensure that the rifle is unloaded and pointed in a safe direction.

2. Mounting the Cantilever:

- Position the cantilever mount on the Picatinny rail of your rifle.
- Align the mount so that the scope will be positioned at the desired forward location.
- Use the provided screws to attach the mount securely to the rail.

3. Securing the Scope:

- Place your riflescope into the cantilever rings.
- Adjust the scope to achieve the correct eye relief and head placement.
- Tighten the screws on the cantilever rings evenly to secure the scope in place.

4. Final Checks:

- Inspect the installation to ensure that everything is secure and properly aligned.
- Check that there are no obstructions in the line of sight.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and metal components.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the VORTEX OPTICS Precision Extended Cantilever 30mm, please refer to the manufacturer's website or customer service for assistance.

Note: This safety instruction guide is designed to comply with the EU General Product Safety Regulation (GPSR). Please report any unsafe products or accidents to the appropriate authorities and check for recall updates on the EU's Safety Gate platform.
