VORTEX OPTICS Precision Extended Cantilever 30mm Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Precision Extended Cantilever 30mm. This guide provides essential safety instructions and usage information to ensure your product is used safely and effectively. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as a scope mount.
- Always inspect the product for any damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Follow all local laws and regulations regarding the use of optical equipment.
- In case of any malfunction or damage, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- **Installation Safety:** Ensure that the mounting surface is clean and free from debris to prevent improper installation.
- **Weight Limit:** Do not exceed the weight limit specified by the manufacturer for the mounted scope.
- **Eye Safety:** Always ensure proper eye relief when using the mounted scope to avoid injury.
- **Secure Mounting:** Check that all screws and fasteners are tightened securely before use to prevent the scope from detaching during operation.
- **Environmental Conditions:** Avoid using the product in extreme weather conditions that may affect its performance or safety.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and screwdriver.
- Ensure that the mounting surface is clean and dry.

2. Installation:

- Align the cantilever mount with the appropriate mounting points on your firearm.
- Place the scope into the mount, ensuring the correct orientation for optimal performance.
- Securely tighten all screws and fasteners using the recommended torque specifications provided by the manufacturer.
- Doublecheck that the scope is level and properly positioned for eye relief.

3. Usage:

- Before using the mounted scope, perform a visual inspection to ensure everything is securely fastened.
- Adjust the scope for proper eye relief and head placement.
- Familiarize yourself with the scope's features and adjustments before taking it to the field.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling components where possible to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the VORTEX OPTICS Precision Extended Cantilever 30mm, please consult the manufacturer's website or contact their customer support for assistance. Ensure you have your product details and any relevant information at hand for a quicker response.

Thank you for your attention to these safety instructions. Enjoy using your VORTEX OPTICS Precision Extended Cantilever 30mm responsibly and safely!
