

Precision Match 34mm Ring Set, Med

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Vortex Optics starts with certified USA 7075 T6 billet aluminum and hold it to an extremely tight tolerance of .0005 using their precision Computer Numeric Controlled (CNC) mill. These Precision Matched Rings are kept in pairs throughout the manufacturing process - ensuring perfection from one set to another. These Vortex rings are then serialized, vibratory tumbled, hand-bead blasted and finished off with a Type III hard coat anodize.

Rugged, lightweight, anti-snap design
Robust, Grade 8 fasteners
100% made in USA guaranteed for life

VORTEX OPTICS Precision Match 34mm Ring Set Safety Instructions

Introduction

Thank you for choosing the VORTEX OPTICS Precision Match 34mm Ring Set. This product is designed to enhance your optics setup while ensuring safety and performance. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always inspect the rings for any damage or defects before installation.
- Keep out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents involving this product to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the rings with compatible scope tubes of 34mm diameter.
- Ensure that the mounting surface is clean and free from debris before installation.
- Avoid overtightening the fasteners; refer to the torque specifications provided by the manufacturer.
- Do not modify or alter the rings in any way, as this may compromise safety and performance.
- If you notice any unusual wear or damage, discontinue use immediately and contact customer support.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools including a torque wrench and appropriate screwdrivers.
- Ensure the work area is clean and welllit.

2. Installation Steps:

- Remove the scope and any existing rings from the rifle.
- Place the VORTEX OPTICS Precision Match rings onto the Picatinny rail, ensuring they are aligned correctly.
- Insert the scope into the rings and adjust its position to achieve the desired eye relief.
- Securely tighten the fasteners on the rings using a torque wrench. Follow the recommended torque settings provided by VORTEX OPTICS.
- Doublecheck all fasteners to ensure they are properly tightened.

3. Usage:

- Once installed, regularly check the rings to ensure they remain secure during use.
- Avoid dropping or striking the scope or rings, as this may cause misalignment or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is no longer usable, consider recycling the aluminum material where possible.
- Do not dispose of the product in household waste.

Contact Information for Further Support

For any inquiries regarding safety, installation, or performance, please refer to the official VORTEX OPTICS website or consult the product manual for contact details.

Thank you for prioritizing safety while using the VORTEX OPTICS Precision Match 34mm Ring Set. Your attention to these guidelines will ensure a safe and enjoyable experience.
