

Precision Match 34mm Ring Set, High

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Vortex Optics starts with certified USA 7075 T6 billet aluminum and hold it to an extremely tight tolerance of .0005 using their precision Computer Numeric Controlled (CNC) mill. These Precision Matched Rings are kept in pairs throughout the manufacturing process - ensuring perfection from one set to another. These Vortex rings are then serialized, vibratory tumbled, hand-bead blasted and finished off with a Type III hard coat anodize.

Rugged, lightweight, anti-snap design
Robust, Grade 8 fasteners
100% made in USA guaranteed for life

VORTEX OPTICS Precision Match 34mm Ring Set

Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Precision Match 34mm Ring Set. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use this product safely and effectively.

General Safety Guidelines

- Always inspect the product before use to ensure it is in good condition.
- Use the product only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about any product recalls or safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the mounting surface is clean and free of debris before installation.
- Do not exceed the recommended torque specifications when tightening the fasteners.
- Regularly check the integrity of the rings and fasteners to ensure they remain secure.
- Avoid using the product in extreme weather conditions unless specified.
- If you notice any damage or wear, discontinue use immediately and contact support.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools: a torque wrench and appropriate screwdrivers.
- Ensure that the firearm is unloaded and pointed in a safe direction.

2. Installation Steps:

- Position the rings on the Picatinny rail at the desired location.
- Align the scope tube within the rings, ensuring it is level.
- Use the Grade 8 fasteners provided to secure the rings to the rail.
- Tighten the fasteners gradually, alternating between them to ensure even pressure.
- Use a torque wrench to tighten the fasteners to the manufacturer's recommended torque specifications.

3. Usage:

- Once installed, check the alignment of the scope before use.
- Make any necessary adjustments to ensure accuracy.
- Regularly inspect the installation for looseness or misalignment.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Consider recycling materials where possible, especially aluminum components.
- Do not dispose of the product in general waste if it can be recycled.

Contact Information for Further Support

For any inquiries or assistance regarding the VORTEX OPTICS Precision Match 34mm Ring Set, please refer to the contact information provided on the packaging or visit the manufacturer's website.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation while using the VORTEX OPTICS Precision Match 34mm Ring Set. Enjoy your shooting experience!
