

# Precision Match 35mm Ring Set, Med

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Vortex Optics starts with certified USA 7075 T6 billet aluminum and hold it to an extremely tight tolerance of .0005 using their precision Computer Numeric Controlled (CNC) mill. These Precision Matched Rings are kept in pairs throughout the manufacturing process - ensuring perfection from one set to another. These Vortex rings are then serialized, vibratory tumbled, hand-bead blasted and finished off with a Type III hard coat anodize.

Rugged, lightweight, anti-snap design  
Robust, Grade 8 fasteners  
100% made in USA guaranteed for life

# VORTEX OPTICS Precision Match 35mm Ring Set

## Safety Instruction Guide

### Introduction

Thank you for choosing the VORTEX OPTICS Precision Match 35mm Ring Set. This guide provides essential safety information and instructions for the proper use and installation of your scope rings. Please read this guide carefully to ensure safe and effective use of the product.

### General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the product for any damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

### Specific Safety Precautions for Use

- Only use the VORTEX OPTICS Precision Match 35mm Ring Set with compatible scopes and mounts.
- Ensure that the rings are securely fastened to prevent any movement during use.
- Avoid using excessive force when tightening fasteners to prevent damage.
- Be cautious of sharp edges during installation to avoid injury.
- Do not modify the product, as alterations may compromise safety and performance.

### Instructions for Installation and Usage

#### 1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdriver.
- Ensure that your work area is clean and free from distractions.

#### 2. Installation Steps:

- Place the scope in the rings and align it with your desired eye relief.
- Position the rings on the mounting base, ensuring they are correctly aligned with the scope.
- Tighten the fasteners evenly, alternating between rings to ensure even pressure.
- Use a torque wrench to tighten the fasteners to the manufacturer's recommended specifications.

#### 3. Usage Guidelines:

- Regularly check the tightness of the rings and fasteners, especially after heavy use.
- Ensure that the scope is properly zeroed before use.
- Store the product in a dry and safe location when not in use.

### Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of the product in household waste; check for designated disposal locations.

## **Contact Information for Further Support**

For any inquiries or support regarding your VORTEX OPTICS Precision Match 35mm Ring Set, please refer to the manufacturer's contact information provided in the product packaging or visit the official Vortex Optics website.

By following these guidelines, you can ensure the safe and effective use of your VORTEX OPTICS Precision Match 35mm Ring Set. Thank you for your attention to safety!
