

Precision Match 30mm Ring Set, High

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Vortex Optics starts with certified USA 7075 T6 billet aluminum and hold it to an extremely tight tolerance of .0005 using their precision Computer Numeric Controlled (CNC) mill. These Precision Matched Rings are kept in pairs throughout the manufacturing process - ensuring perfection from one set to another. These Vortex rings are then serialized, vibratory tumbled, hand-bead blasted and finished off with a Type III hard coat anodize.

Rugged, lightweight, anti-snap design
Robust, Grade 8 fasteners
100% made in USA guaranteed for life

VORTEX OPTICS Precision Match 30mm Ring Set

Safety Instructions

Introduction

Thank you for choosing the VORTEX OPTICS Precision Match 30mm Ring Set. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the rings for any damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any accidents or unsafe conditions to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Avoid using the rings in extreme temperatures or harsh environments that may affect their integrity.
- Ensure that the rings are properly secured to prevent any loosening during use.
- Do not exceed the manufacturer's specified weight limits for mounted scopes.
- Use only compatible scopes with a 30mm tube diameter.
- Be cautious when handling tools during installation to prevent injury.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure that the mounting surface is clean and free from debris.

2. Installation:

- Place the VORTEX OPTICS Precision Match rings on the Picatinny rail.
- Align the rings to the desired position for your scope.
- Secure the rings using the provided Grade 8 fasteners.
- Use a torque wrench to tighten the screws to the manufacturer's recommended torque specifications.

3. Usage:

- After installation, check that the scope is securely mounted and aligned.
- Before each use, inspect the rings for any signs of wear or damage.
- If any issues are detected, discontinue use and consult a professional.

Disposal Instructions

- Dispose of the product in accordance with local waste management regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling the aluminum material where possible.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the VORTEX OPTICS Precision Match 30mm Ring Set, please contact the manufacturer directly through their official channels.
