

Precision Match 30mm Ring Set, High

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Vortex Optics starts with certified USA 7075 T6 billet aluminum and hold it to an extremely tight tolerance of .0005 using their precision Computer Numeric Controlled (CNC) mill. These Precision Matched Rings are kept in pairs throughout the manufacturing process - ensuring perfection from one set to another. These Vortex rings are then serialized, vibratory tumbled, hand-bead blasted and finished off with a Type III hard coat anodize.

Rugged, lightweight, anti-snap design
Robust, Grade 8 fasteners
100% made in USA guaranteed for life

VORTEX OPTICS Precision Match 30mm Ring Set

Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Precision Match 30mm Ring Set. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the product for any signs of damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all installation and usage instructions to avoid potential hazards.
- Report any unsafe conditions or accidents associated with this product to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the recommended weight limit for the scope and rings.
- Ensure that the rings are securely fastened to prevent any movement during use.
- Avoid using the product in extreme weather conditions that may affect its performance.
- Be cautious when handling the product to prevent injury from sharp edges.
- Always wear protective eyewear when installing or adjusting the rings.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a torque wrench and appropriate Allen keys.
- Ensure the work area is clean and free of obstructions.

2. Installation Steps

- Remove any existing rings or mounts from your scope.
- Place the scope into the VORTEX OPTICS Precision Match 30mm Rings.
- Align the rings with the mounting base on your firearm.
- Secure the rings using the provided Grade 8 fasteners. Ensure that they are tightened to the manufacturer's specifications.
- Use a torque wrench to apply even pressure to the fasteners, preventing overtightening.
- Check the alignment of the scope and make any necessary adjustments.

3. Usage

- Regularly check the tightness of the rings, especially after heavy use or exposure to harsh conditions.
- If you notice any movement or loosening, retighten the rings as necessary.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Avoid disposing of the product in regular household waste.

- Consider recycling options for aluminum components where available.

Contact Information for Further Support

For any inquiries or concerns regarding the VORTEX OPTICS Precision Match 30mm Ring Set, please contact your local VORTEX OPTICS representative or visit the official website for support resources.

Thank you for your attention to these safety guidelines. Enjoy your VORTEX OPTICS Precision Match 30mm Ring Set safely and effectively!
