

# Precision Match 30mm Ring Set, med

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Vortex Optics starts with certified USA 7075 T6 billet aluminum and hold it to an extremely tight tolerance of .0005 using their precision Computer Numeric Controlled (CNC) mill. These Precision Matched Rings are kept in pairs throughout the manufacturing process - ensuring perfection from one set to another. These Vortex rings are then serialized, vibratory tumbled, hand-bead blasted and finished off with a Type III hard coat anodize.

Rugged, lightweight, anti-snap design  
Robust, Grade 8 fasteners  
100% made in USA guaranteed for life

# VORTEX OPTICS Precision Match 30mm Ring Set

## Safety Instructions

### Introduction

Thank you for choosing the VORTEX OPTICS Precision Match 30mm Ring Set. This guide provides important safety instructions to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

### General Safety Guidelines

- Ensure the product is used only for its intended purpose as specified in the product description.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents or misuse.
- Regularly inspect the product for signs of wear or damage before use.
- If you notice any defects or irregularities, discontinue use immediately and seek assistance.
- Follow all local regulations and guidelines regarding the use of firearm accessories.

### Specific Safety Precautions for Use

- **Installation Precautions:**
  - Ensure the mounting surface is clean and free of debris before installation.
  - Use appropriate tools as specified in the installation instructions to avoid damaging the product.
- **During Use:**
  - Always verify that the rings are securely fastened before using the firearm.
  - Do not exceed the recommended torque specifications when tightening the rings.
  - Avoid exposing the product to extreme temperatures, moisture, or corrosive environments.
- **Handling:**
  - Handle the product with care to avoid dropping or damaging it.
  - Do not modify or alter the product in any way, as this may compromise safety.

### Instructions for Installation and Usage

#### 1. Installation:

- Begin by ensuring that your firearm is unloaded and pointed in a safe direction.
- Remove any existing rings or mounts from the scope or firearm.
- Clean the mounting area thoroughly.
- Align the VORTEX OPTICS Precision Match Rings with the mounting surface and place them in position.
- Using a torque wrench, tighten the fasteners to the manufacturer's recommended specifications to ensure a secure fit.
- Once installed, doublecheck the alignment and tightness of the rings.

#### 2. Usage:

- After installation, mount your scope securely in the rings.
- Ensure that the scope is level and properly aligned with the firearm.
- Perform a function check to verify that the scope is securely mounted and that the rings are holding the scope in place.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic waste and materials.
- If the product is damaged or no longer in use, consider recycling the aluminum components where facilities are available.

## **Contact Information for Further Support**

For any questions or concerns regarding the VORTEX OPTICS Precision Match 30mm Ring Set, please refer to the manufacturer's website or contact your local authorized dealer for assistance.

## **Conclusion**

Your safety is our priority. By following the guidelines and instructions outlined in this document, you can ensure the safe use of your VORTEX OPTICS Precision Match 30mm Ring Set. Thank you for your attention to these safety instructions. Enjoy your product responsibly!
