

Precision Match Wvr 30mm Ring Set Med

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

Vortex Optics starts with certified USA 7075 T6 billet aluminum and hold it to an extremely tight tolerance of .0005 using their precision Computer Numeric Controlled (CNC) mill. These Precision Matched Rings are kept in pairs throughout the manufacturing process - ensuring perfection from one set to another. These Vortex rings are then serialized, vibratory tumbled, hand-bead blasted and finished off with a Type III hard coat anodize.

Rugged, lightweight, anti-snap design
Robust, Grade 8 fasteners
100% made in USA guaranteed for life

VORTEX OPTICS Precision Match Wvr 30mm Ring Set Med Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Precision Match Wvr 30mm Ring Set. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified by the manufacturer.
- Always inspect the product for any damage or defects before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Follow all local laws and regulations regarding the use of firearm accessories.
- If you experience any issues or have concerns about the product, stop using it immediately and seek assistance.

Specific Safety Precautions for Use

- Use only with compatible scope tubes as specified (30mm diameter).
- Ensure that the rings are securely fastened to prevent any movement during use.
- Avoid overtightening the fasteners as this may damage the rings or the scope.
- Be aware of the potential for sharp edges during installation; handle with care.
- If using in adverse weather conditions, ensure that the product is properly maintained to avoid corrosion.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a torque wrench.
- Ensure that the installation area is clean and free from debris.

2. Installation:

- Place the scope in the rings and align it according to your preference.
- Position the rings on the rail or base and ensure they are aligned correctly.
- Handtighten the fasteners to hold the rings in place temporarily.
- Using a torque wrench, tighten the fasteners to the manufacturer's recommended torque specification (usually specified in the product manual).

3. Final Checks:

- After installation, doublecheck all fasteners to ensure they are secure.
- Test the setup by gently shaking the scope to ensure stability.
- Make any necessary adjustments to the scope before taking it to the field.

Disposal Instructions

- Dispose of the product in accordance with local waste management regulations.
- Do not dispose of the product in regular household waste. Look for recycling options for aluminum materials.
- Ensure that any packaging materials are also disposed of responsibly.

Contact Information for Further Support

For any questions or concerns regarding the VORTEX OPTICS Precision Match Wvr 30mm Ring Set, please refer to the manufacturer's contact information provided with the product. Always ensure that you are reaching out to an official Vortex Optics representative for support.

By following these safety instructions, you can ensure a safe and enjoyable experience with your VORTEX OPTICS Precision Match Wvr 30mm Ring Set. Thank you for your attention to safety and responsible use.
