VORTEX OPTICS Pro 30mm Cantilever Mount

Safety Instructions

Introduction

Thank you for choosing the VORTEX OPTICS Pro 30mm Cantilever Mount. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Regularly inspect the mount for any signs of wear or damage.
- Follow all installation instructions to avoid accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Before using the mount, ensure it is securely attached to your firearm.
- Do not exceed the recommended weight limit for the scope mounted on the cantilever.
- Avoid using the mount in extreme environmental conditions that may affect its performance.
- Always use the mount with compatible scopes to ensure safety and functionality.
- If you notice any unusual behavior or instability in the mount, cease use immediately and inspect for issues.

Instructions for Installation and Usage

1. Installation

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure the firearm is unloaded and pointed in a safe direction.
- Place the cantilever mount on the Picatinny or Weaver rail of your firearm.
- Align the mount with the desired position for optimal eye relief.
- Secure the mount using the provided screws, ensuring they are tightened to the manufacturer's specifications.

2. Usage

- After installation, check the stability of the mount by gently shaking it.
- Always verify that the scope is properly secured within the mount before use.
- Regularly check the mount and scope alignment, especially after transport or rough handling.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the mount in regular household waste.
- Consider recycling options to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding safety or product concerns, please reach out to your local VORTEX OPTICS

representative or visit the official VORTEX OPTICS website for more information.

By following these safety instructions, you can ensure a safe and enjoyable experience with your VORTEX OPTICS Pro 30mm Cantilever Mount. Thank you for your attention to these important guidelines.
