VORTEX OPTICS Pro Ring 30mm Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Pro Ring 30mm. This guide provides essential safety instructions and information to ensure the safe use, installation, and disposal of this product. Adhering to these guidelines will help you maximize the performance of your scope rings while ensuring safety for yourself and others.

General Safety Guidelines

- Always inspect the product for any damage before use. Do not use if damaged.
- Ensure that the product is compatible with your scope and mounting system.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as outlined in this guide.
- Report any accidents or unsafe product conditions to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Weight Limit:** Each ring weighs 44.7 grams (1.58 oz). Ensure that your mounting system can support this weight.
- **Installation Surface:** Use the rings only on Weaver and Picatinny rails. Ensure that the rail is clean and free from debris before installation.
- **Screw Tightening:** Use T25 Torx screws provided. Do not overtighten, as this may damage the product or the mounting surface.
- **Handling:** Handle the rings with care to avoid scratches or dents that may affect performance.
- **Environmental Conditions:** Avoid using the product in extreme weather conditions without proper protection.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools, including a T25 Torx screwdriver.
- Ensure that the mounting surface is clean and dry.

2. Installation Steps:

- Position the VORTEX OPTICS Pro Ring on the desired location of the rail.
- Align the ring with the mounting holes on the rail.
- Insert the T25 Torx screws into the holes and handtighten them to secure the ring in place.
- Using the T25 Torx screwdriver, tighten the screws evenly. Ensure that they are secure but do not overtighten.

3. Scope Mounting:

- Once the rings are securely installed, position the scope within the rings.
- Adjust the scope to your preferred eye relief and level.
- Tighten the screws on the rings to secure the scope in place.

4. Final Check:

- After installation, doublecheck that all screws are tightened and that the scope is securely mounted.
- Perform a function check to ensure that the scope operates correctly.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged or no longer usable, consider recycling the materials where possible.

Contact Information for Further Support

For any questions or concerns regarding the VORTEX OPTICS Pro Ring 30mm, please refer to the manufacturer's website or contact the retailer from which you purchased the product. Ensure to have the product details ready for a more efficient response.

By following these safety instructions, you can ensure a safe and effective experience with your VORTEX OPTICS Pro Ring 30mm. Thank you for your attention to these important guidelines.
