VORTEX OPTICS Hunter 30mm Rings Safety Instructions

Introduction

Thank you for choosing the VORTEX OPTICS Hunter 30mm Rings. This product is designed for mounting scopes securely on Picatinny or Weaver type rails, ensuring a reliable setup for your hunting activities. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Ensure that the rings are compatible with your scope and rifle setup.
- Always inspect the rings for any damage before installation.
- Follow all manufacturer instructions during installation to avoid improper use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Safety:** Ensure that the mounting surface is clean and free from debris before installation.
- **Weight Limit:** Do not exceed the recommended weight limit for the scope being mounted.
- **Tightening:** Use the correct torque specifications when tightening screws to avoid stripping or damaging the rings.
- **Regular Checks:** Periodically check the tightness of the rings after installation, especially after heavy use.
- **Avoid OverTightening:** Overtightening can lead to damage to the scope or rings, compromising safety and functionality.

Instructions for Installation and Usage

1. Preparation:

- Gather necessary tools: a torque wrench and appropriate screwdrivers.
- Ensure that the mounting area is clean and dry.

2. Installation:

- Place the scope in the rings and position it to your desired eye relief.
- Align the rings with the Picatinny or Weaver rail.
- Insert screws into the rings and handtighten them to secure the scope in place.
- Use a torque wrench to tighten the screws to the manufacturer's specifications, ensuring even pressure across the rings.

3. PostInstallation:

- After installation, check the alignment of the scope.
- Ensure that the scope is securely mounted and that there is no movement when pressure is applied.

4. Usage:

- Always handle the firearm safely and responsibly.

- Be aware of your surroundings and ensure a clear line of sight when aiming.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options for aluminum components where applicable.

Contact Information for Further Support
