VORTEX OPTICS Hunter 1" Rings Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Hunter 1" Rings. These rings are designed to securely mount your scope to a Picatinny or Weaver type rail, ensuring a reliable and stable setup for your hunting activities. This safety instruction guide provides essential information to help you use the product safely and effectively while complying with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the rings are compatible with your scope and rail system before installation.
- Always inspect the rings for damage or defects before use.
- Follow all instructions carefully to avoid accidents or injuries.
- Keep the product out of reach of children to prevent misuse.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended torque settings when tightening screws to avoid damaging the rings or rail.
- Ensure that the scope is properly seated in the rings and securely tightened.
- Regularly check the mounting screws for tightness, especially after heavy use or transportation.
- Avoid using the rings in extreme weather conditions without proper protection for your scope.
- If you notice any unusual movement or looseness during use, stop immediately and inspect the installation.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure that the installation area is clean and free of debris.

2. Installation Steps

- Position the VORTEX OPTICS Hunter 1" Rings on the Picatinny or Weaver rail.
- Align the rings with the desired scope position.
- Insert and handtighten the screws into the rings.
- Use a torque wrench to tighten the screws to the manufacturer's recommended torque settings (consult the product specifications for the exact torque value).
- Ensure that the scope is properly aligned and level before final tightening.

3. Usage Steps

- After installation, check that the scope is securely mounted and does not move.
- Use the scope as intended for your hunting activities.
- Regularly inspect the installation for any signs of wear or damage.

Disposal Instructions

- Dispose of the product responsibly according to local regulations.
- Recycle any metal components if possible.
- Do not dispose of the product in household waste.

Contact Information for Further Support

For any safety inquiries or support regarding the VORTEX OPTICS Hunter 1" Rings, please refer to the manufacturer's official website or customer service resources.

By following these safety instructions, you can ensure a safe and effective experience with your VORTEX OPTICS Hunter 1" Rings. Always prioritize safety and proper usage to enjoy your hunting activities to the fullest.
