# VORTEX OPTICS Tactical 30mm Low Ring Safety Instruction Guide

## Introduction

Thank you for choosing the VORTEX OPTICS Tactical 30mm Low Ring. This product is designed to securely mount your riflescope to a Picatinny rail, providing solid support for 30mm riflescope tubes. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the ring for any signs of wear or damage before each use.
- Follow all installation and usage instructions to avoid accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that the mounting surface is clean and free from debris before installation.
- Do not exceed the manufacturer's recommended weight limit for the mounted scope.
- Avoid using the ring if it shows any signs of damage or if screws are missing.
- Ensure that the scope is properly secured in the ring to prevent it from coming loose during use.
- Use caution when handling tools during installation to avoid injury.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a torque wrench and appropriate screwdriver.
- Ensure that you have a clean, flat workspace.

### 2. Mounting the Ring

- Position the ring on the Picatinny rail at the desired location.
- Align the ring's base with the rail slots to ensure a secure fit.

### 3. Securing the Ring

- Insert the screws into the holes of the ring base.
- Use a torque wrench to tighten the screws to the manufacturer's recommended torque specifications. Avoid overtightening, which can damage the ring or rail.

### 4. Installing the Scope

- Place the riflescope tube into the ring.
- Adjust the scope to your preferred eye relief and ensure it is level.
- Tighten the ring screws securely to hold the scope in place.

### 5. Final Inspection

- Doublecheck that all screws are tightened and that the scope is properly secured.
- Perform a visual inspection to ensure there are no obstructions or misalignments.

## **Disposal Instructions**

- Dispose of packaging materials in accordance with local regulations.
- If the product is no longer usable, dispose of it in an environmentally friendly manner. Check local guidelines for proper disposal methods for metal and plastic components.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please reach out to the manufacturer directly. Ensure that you have the product details handy for a more efficient response.

Thank you for your attention to safety. Enjoy using your VORTEX OPTICS Tactical 30mm Low Ring responsibly!
