VORTEX OPTICS Tactical 30mm Ring Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Tactical 30mm Ring. This guide provides essential safety instructions to ensure the safe use and installation of your product. Please read this guide carefully before using your scope ring.

General Safety Guidelines

- Ensure that the mounting surface is clean and free from debris before installation.
- Always check that the scope ring is securely fastened after installation and prior to use.
- Inspect the scope ring regularly for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Do not use the product for purposes other than those intended.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper installation may lead to equipment failure or accidents.
 - Using incompatible scope sizes can cause damage to your equipment.
- **Instructions for Avoiding Hazards:**
 - Always use the scope ring with a 30mm riflescope tube.
 - Follow the installation instructions closely to ensure proper fit and function.
 - Do not exceed the recommended torque specifications when fastening screws.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure you have a clean, welllit workspace.

2. Installation Steps:

- Position the VORTEX OPTICS Tactical 30mm Ring on the Picatinny rail.
- Align the ring with the scope mounting points on your rifle.
- Insert the screws into the designated holes and handtighten them.
- Use a torque wrench to tighten the screws to the manufacturer's recommended torque specifications (not exceeding 15 inlbs).
- Doublecheck that the ring is secure and does not shift when pressure is applied.

3. Usage:

- After installation, mount your 30mm riflescope into the ring.
- Ensure that the scope is level and properly aligned with your shooting line.
- Secure the scope in place using the provided screws, following the same torque specifications.

Disposal Instructions

- Dispose of the product responsibly according to local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal components where available.

Contact Information for Further Support

For any questions or concerns regarding the VORTEX OPTICS Tactical 30mm Ring, please refer to the manufacturer's website or contact your local VORTEX OPTICS distributor for assistance.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your VORTEX OPTICS product responsibly!
