# VORTEX OPTICS Tactical 30mm Ring User Safety Instructions

## Introduction

Thank you for choosing the VORTEX OPTICS Tactical 30mm Ring. This guide provides important safety instructions and usage guidelines to ensure your product is used safely and effectively. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is suitable for your specific riflescope model and mounting requirements.
- Always inspect the ring and mounting hardware for any damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of firearms and accessories.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only on compatible Picatinny rails to ensure a secure fit.
- Do not exceed the recommended weight limit for the mounted scope.
- Avoid using the ring in extreme environmental conditions (e.g., excessive heat, cold, or moisture) that may affect performance.
- Ensure that the mounting screws are tightened to the manufacturer's specifications to prevent loosening during use.
- Regularly check the tightness of the screws and overall stability of the mounted scope.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a torque wrench and appropriate screwdriver.
- Ensure the installation area is clean and welllit.

### 2. Installation Steps

- Align the VORTEX OPTICS Tactical 30mm Ring with the Picatinny rail on your firearm.
- Position the ring so that the scope tube will rest securely within it.
- Insert the mounting screws into the designated holes on the ring.
- Tighten the screws gradually in a crisscross pattern to ensure even pressure distribution.
- Use a torque wrench to tighten the screws to the manufacturer's recommended torque settings.

### 3. Usage

- Once installed, carefully place your 30mm riflescope into the ring.
- Adjust the scope to your desired position and ensure it is securely held in place by the ring.
- Perform a final check to ensure all screws are tightened, and the scope is stable.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and nonfood product disposal.
- Do not dispose of the product in regular household waste. Check for designated recycling facilities.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the VORTEX OPTICS Tactical 30mm Ring, please refer to the manufacturer's website or customer service for assistance.

Thank you for prioritizing safety and compliance while using your VORTEX OPTICS product. Enjoy your shooting experience responsibly!
