VORTEX OPTICS Tactical 30mm Ring Safety Instructions

Introduction

Thank you for choosing the VORTEX OPTICS Tactical 30mm Ring. This product is designed to provide reliable support for 30mm riflescope tubes when mounted on a Picatinny rail. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

To ensure the safety of all users, please adhere to the following guidelines:

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the ring for signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of firearms and related accessories.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

When using the VORTEX OPTICS Tactical 30mm Ring, please observe the following precautions:

- Always ensure that the ring is securely attached to the Picatinny rail before use.
- Do not exceed the weight limit recommended by the manufacturer for the mounted scope.
- Avoid using the ring if it shows any signs of damage, such as cracks or deformation.
- Use appropriate tools when installing or adjusting the ring to avoid injury.
- Ensure that the scope is properly aligned and secured within the ring to prevent accidents during use.
- Do not modify the ring in any way, as this may compromise its safety and effectiveness.

Instructions for Installation and Usage

For optimal performance and safety, follow these installation and usage instructions:

1. Installation:

- Ensure that the Picatinny rail is clean and free from debris.
- Position the Tactical 30mm Ring on the desired location of the rail.
- Align the ring so that it is straight and level.
- Use the provided screws to secure the ring to the rail, tightening them firmly but not excessively.
- Check that the ring is stable and does not move when pressure is applied.

2. Usage:

- After installation, carefully place the 30mm riflescope tube into the ring.
- Adjust the position of the scope as needed for proper eye relief and alignment.
- Secure the scope in place by tightening the ring screws evenly.
- Perform a final check to ensure that the scope is firmly held and does not shift during use.

Disposal Instructions

When the VORTEX OPTICS Tactical 30mm Ring reaches the end of its life cycle, please dispose of it responsibly:

- Do not dispose of the product in household waste.
- Check local regulations for proper disposal methods for metal and plastic materials.
- Consider recycling the product where facilities are available.

Contact Information for Further Support

For any questions or concerns regarding the VORTEX OPTICS Tactical 30mm Ring, please refer to the manufacturer's official website or contact the authorized retailer from which you purchased the product.

Thank you for your attention to these safety instructions. Your safety is our priority. Enjoy your VORTEX OPTICS Tactical 30mm Ring responsibly!
