

## Defender Flip Cap, Objective 24

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Lens Covers](#)

Virtually indestructible, these caps will fit snugly on nearly all Vortex Optics and features a snap flat spring that will keep your line of sight unobstructed. Rifle ranges the world over are littered with broken flip caps. This is one cap you will most likely never see in a flip cap boneyard.

The Eyepiece cap has three stop positions. The first vertical, to put your dope disk (optional accessory) literally right in your face. The second at a 45° and the third at 90° to lay flat back. The Eyepiece cap fits all Vortex Riflescopes except the 1-inch tube Viper model VPR-M-01BDC, VPR-M-04BDC and VPR-M-03BDC.

# VORTEX OPTICS Defender Flip Cap Safety Instruction Guide

## Introduction

Thank you for choosing the VORTEX OPTICS Defender Flip Cap. This product is designed to enhance your shooting experience by providing a durable and reliable solution for protecting your rifle scope lenses. This guide will help you understand how to safely use and maintain your flip cap while ensuring compliance with safety regulations.

## General Safety Guidelines

- Always inspect the flip cap before use to ensure it is in good condition.
- Do not use the flip cap if it shows signs of damage or wear.
- Keep the flip cap out of reach of children and vulnerable individuals to prevent accidental use or injury.
- Report any unsafe product incidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the flip cap is properly secured on your scope before use to prevent it from detaching during operation.
- Avoid exposing the flip cap to extreme temperatures or harsh chemicals, as this may degrade the material.
- Do not attempt to modify or repair the flip cap yourself, as this may compromise its integrity and safety.
- When using the eyepiece cap, be aware of the three stop positions to ensure optimal visibility and comfort.

## Instructions for Installation and Usage

### 1. Installation:

- Align the flip cap with the objective lens of your Vortex scope.
- Press the cap firmly until you hear a click, indicating it is securely attached.
- Check that the cap is snug and does not wobble.

### 2. Using the Eyepiece Cap:

- The eyepiece cap has three stop positions:
  - First Position: Vertical for direct line of sight.
  - Second Position: 45° for angled viewing.
  - Third Position: 90° for flat back positioning.
- Adjust the eyepiece cap to your preferred position based on your shooting needs.

### 3. Maintenance:

- Clean the flip cap regularly with a soft, dry cloth to remove dust and debris.
- Do not use abrasive materials or chemicals that could scratch or damage the cap.

## Disposal Instructions

- Dispose of the flip cap in accordance with local waste disposal regulations.
- If the cap is damaged or no longer usable, consider recycling it if possible, or dispose of it in a landfill as

per local guidelines.
