

## Defender Flip Cap, Objective 40

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Lens Covers](#)

Virtually indestructible, these caps will fit snugly on nearly all Vortex Optics and features a snap flat spring that will keep your line of sight unobstructed. Rifle ranges the world over are littered with broken flip caps. This is one cap you will most likely never see in a flip cap boneyard.

The Eyepiece cap has three stop positions. The first vertical, to put your dope disk (optional accessory) literally right in your face. The second at a 45° and the third at 90° to lay flat back. The Eyepiece cap fits all Vortex Riflescopes except the 1-inch tube Viper model VPR-M-01BDC, VPR-M-04BDC and VPR-M-03BDC.

# VORTEX OPTICS Defender Flip Cap Safety Instruction Guide

## Introduction

Thank you for choosing the VORTEX OPTICS Defender Flip Cap, Objective 40. This product is designed to enhance your shooting experience by providing a durable and reliable cap for your Vortex optics. Please read this safety instruction guide carefully to ensure safe usage and maintenance of your product.

## General Safety Guidelines

- Always inspect the flip cap before use to ensure it is in good condition and free from damage.
- Do not use the flip cap if it is cracked, broken, or shows signs of wear.
- Keep the flip cap out of reach of children to prevent accidental ingestion or injury.
- Ensure that the flip cap is securely attached to the scope before use.
- Do not attempt to modify or repair the flip cap; contact the manufacturer for assistance.

## Specific Safety Precautions for Use

- The eyepiece cap has three stop positions. Familiarize yourself with these positions to ensure proper usage:
  - Vertical position for easy access to your dope disk (optional accessory).
  - 45° position for a comfortable viewing angle.
  - 90° position to lay flat back.
- Ensure that no obstructions are in the line of sight when using the flip cap.
- Avoid exposing the flip cap to extreme temperatures or harsh chemicals, as this may affect its performance.
- Do not force the cap open or closed; use gentle pressure to avoid damaging the spring mechanism.

## Instructions for Installation and Usage

### 1. Installation:

- Align the flip cap with the eyepiece of your Vortex riflescope.
- Press the cap firmly until it fits snugly onto the eyepiece.
- Ensure that the cap is secure and does not wobble.

### 2. Usage:

- To open the cap, gently pull it away from the eyepiece and rotate to your desired stop position.
- To close the cap, simply push it back towards the eyepiece until it clicks into place.
- Always check that the cap is fully closed when not in use to prevent debris from entering the scope.

## Disposal Instructions

- Dispose of the flip cap responsibly. If the product is damaged or no longer usable, please follow local regulations for disposal of plastic materials.
- Do not dispose of the flip cap in fire, as it may release harmful fumes.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the VORTEX OPTICS Defender Flip Cap, please refer to the manufacturer's contact information provided with your product.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure that your VORTEX OPTICS Defender Flip Cap remains a reliable accessory for your shooting needs. Always prioritize safety and proper usage to enhance your experience with Vortex optics. Thank you for your attention to these important guidelines.
