

Defender Flip Cap, Objective 44

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Lens Covers](#)

Virtually indestructible, these caps will fit snugly on nearly all Vortex Optics and features a snap flat spring that will keep your line of sight unobstructed. Rifle ranges the world over are littered with broken flip caps. This is one cap you will most likely never see in a flip cap boneyard.

The Eyepiece cap has three stop positions. The first vertical, to put your dope disk (optional accessory) literally right in your face. The second at a 45° and the third at 90° to lay flat back. The Eyepiece cap fits all Vortex Riflescopes except the 1-inch tube Viper model VPR-M-01BDC, VPR-M-04BDC and VPR-M-03BDC.

VORTEX OPTICS Defender Flip Cap Safety Instructions

Introduction

Thank you for choosing the VORTEX OPTICS Defender Flip Cap, designed for your Vortex Optics products. This guide provides essential safety information, usage instructions, and disposal guidelines to ensure a safe and effective experience with your flip cap.

General Safety Guidelines

- Ensure the flip cap is securely attached to your optic before use to prevent accidental detachment.
- Regularly inspect the flip cap for signs of wear or damage. Do not use if damaged.
- Keep the flip cap away from children and vulnerable individuals to avoid potential hazards.
- Follow all instructions provided in this manual for safe installation and usage.

Specific Safety Precautions for Use

- **Avoid Impact:** The Defender Flip Cap is designed to be durable; however, avoid dropping or hitting it against hard surfaces.
- **Do Not Force:** If the cap does not fit easily, do not force it onto the optic. Ensure compatibility with your specific model.
- **Avoid Exposure to Extreme Temperatures:** Prolonged exposure to extreme heat or cold may affect the material integrity of the flip cap.
- **Use in Appropriate Conditions:** The flip cap is designed for outdoor use. Avoid using it in conditions where it may become easily damaged (e.g., heavy rain without proper sealing).

Instructions for Installation and Usage

1. Installation:

- Ensure your Vortex optic is clean and free from debris.
- Align the flip cap with the objective lens of your optic.
- Press firmly to secure the cap in place. Ensure it is snug and does not wobble.

2. Usage:

- The Eyepiece cap has three stop positions:
 - **Vertical Position:** Allows easy access to your dope disk (optional accessory).
 - **45° Position:** Provides a slight angle for better visibility.
 - **90° Position:** Lays flat back for unobstructed viewing.
- Adjust the eyepiece cap to your preferred position based on your shooting requirements.

3. Maintenance:

- Clean the flip cap with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- Regularly check the snap flat spring mechanism to ensure it is functioning correctly.

Disposal Instructions

- Dispose of the flip cap responsibly in accordance with local regulations.
- If the flip cap is damaged or no longer usable, consider recycling it if possible. Check with your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, usage, or support related to the VORTEX OPTICS Defender Flip Cap, please refer to the official Vortex Optics website or contact your local distributor.

By following these safety instructions, you can ensure the safe and effective use of your VORTEX OPTICS Defender Flip Cap. Thank you for your attention to these guidelines. Enjoy your shooting experience!
