

## Defender Flip Cap, Objective 50

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Lens Covers](#)

Virtually indestructible, these caps will fit snugly on nearly all Vortex Optics and features a snap flat spring that will keep your line of sight unobstructed. Rifle ranges the world over are littered with broken flip caps. This is one cap you will most likely never see in a flip cap boneyard.

The Eyepiece cap has three stop positions. The first vertical, to put your dope disk (optional accessory) literally right in your face. The second at a 45° and the third at 90° to lay flat back. The Eyepiece cap fits all Vortex Riflescopes except the 1-inch tube Viper model VPR-M-01BDC, VPR-M-04BDC and VPR-M-03BDC.

# VORTEX OPTICS Defender Flip Cap Safety Instruction Guide

## Introduction

Thank you for choosing the VORTEX OPTICS Defender Flip Cap. This product is designed to provide reliable protection for your optics while ensuring ease of use. It is important to read and understand this safety instruction guide to ensure safe and effective use of your flip cap.

## General Safety Guidelines

- Ensure the product is used as intended and according to the manufacturer's instructions.
- Regularly inspect the flip cap for any signs of damage or wear before each use.
- Keep the flip cap out of reach of children and vulnerable individuals to prevent accidental harm.
- Do not attempt to modify or repair the flip cap yourself; contact the manufacturer for assistance.
- In case of any malfunction or if the product is suspected to be unsafe, discontinue use immediately and seek further guidance.

## Specific Safety Precautions for Use

- The flip cap is designed for use with Vortex Riflescopes, except for the 1inch tube Viper models (VPRM01BDC, VPRM04BDC, and VPRM03BDC).
- Ensure the cap is securely attached to the scope before use to avoid dislodging during operation.
- Be cautious when adjusting the eyepiece cap to avoid pinching fingers or causing injury.
- Avoid using the flip cap in extreme weather conditions that may affect its performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your Vortex Rifle scope is clean and free from debris.
- Align the flip cap with the eyepiece of the scope.
- Press the cap firmly until it snaps into place, ensuring a snug fit.

### 2. Adjusting the Eyepiece Cap:

- The eyepiece cap has three stop positions:
  - **Vertical Position:** For direct line of sight; ideal for using the dope disk (optional accessory).
  - **45Degree Position:** For a comfortable viewing angle.
  - **90Degree Position:** To lay flat back against the scope when not in use.
- To adjust, gently pull the cap to the desired position until it clicks into place.

### 3. Usage:

- Always check that the flip cap is in the desired position before aiming your rifle.
- If using the dope disk, ensure it is securely placed in the vertical position for optimal visibility.

## Disposal Instructions

- Dispose of the flip cap responsibly according to local regulations.
- If the product is damaged or no longer in use, consider recycling it if facilities are available.
- Do not dispose of the flip cap in household waste if it contains any hazardous materials.

## **Contact Information for Further Support**

For any inquiries regarding the safety or performance of the VORTEX OPTICS Defender Flip Cap, please reach out to the appropriate contact point as per the EU regulations.

Thank you for your attention to these safety guidelines. Enjoy your VORTEX OPTICS Defender Flip Cap and the enhanced protection it provides for your optics.
