

Defender Flip Cap, Objective 56

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Lens Covers](#)

Virtually indestructible, these caps will fit snugly on nearly all Vortex Optics and features a snap flat spring that will keep your line of sight unobstructed. Rifle ranges the world over are littered with broken flip caps. This is one cap you will most likely never see in a flip cap boneyard.

The Eyepiece cap has three stop positions. The first vertical, to put your dope disk (optional accessory) literally right in your face. The second at a 45° and the third at 90° to lay flat back. The Eyepiece cap fits all Vortex Riflescopes except the 1-inch tube Viper model VPR-M-01BDC, VPR-M-04BDC and VPR-M-03BDC.

VORTEX OPTICS Defender Flip Cap Safety Instructions

Introduction

Thank you for choosing the VORTEX OPTICS Defender Flip Cap. This product is designed to enhance your shooting experience by providing a reliable and durable solution for protecting your optics. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the flip cap is compatible with your Vortex Optics device before use.
- Always check the flip cap for any signs of damage or wear before installation.
- Do not use the flip cap if it is cracked or otherwise compromised.
- Store the flip cap in a cool, dry place away from direct sunlight when not in use.
- Keep the product out of reach of children and pets to prevent accidents.

Specific Safety Precautions for Use

- The eyepiece cap features three stop positions: vertical, 45°, and 90°. Use these positions to adjust the cap according to your preference, ensuring that your line of sight remains unobstructed.
- Avoid applying excessive force when adjusting the cap to prevent breakage.
- Do not attempt to modify or repair the flip cap yourself; always seek professional assistance if needed.
- If you notice any unusual behavior or issues with the flip cap during use, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. **Compatibility Check:** Confirm that the flip cap is suitable for your specific Vortex Riflescope model, excluding the 1inch tube Viper models (VPRM01BDC, VPRM04BDC, VPRM03BDC).
2. **Installation:**
 - Align the flip cap with the objective lens of your riflescope.
 - Gently press the cap onto the lens until it fits snugly in place.
 - Ensure that the cap is securely attached and does not obstruct the lens.
3. **Usage:**
 - To use the eyepiece cap, adjust it to the desired stop position:
 - For vertical position: Rotate the cap to face upward.
 - For 45° position: Rotate the cap to a 45° angle.
 - For 90° position: Rotate the cap flat back against the riflescope.
 - Make sure the cap is stable in the selected position before aiming.
4. **Maintenance:**
 - Regularly inspect the flip cap for any signs of wear or damage.
 - Clean the cap with a soft, dry cloth to remove dirt and debris. Avoid using harsh chemicals that may damage the material.

Disposal Instructions

- Dispose of the flip cap in accordance with local regulations for plastic waste.
- Do not dispose of the product in household waste. Instead, utilize designated recycling facilities where available.

Contact Information for Further Support

For any inquiries or concerns regarding the VORTEX OPTICS Defender Flip Cap, please refer to the official Vortex Optics website or contact your local Vortex Optics distributor. It is important to have access to support for any safety-related questions or product concerns.

By following these safety instructions, you can ensure a safe and enjoyable experience with your VORTEX OPTICS Defender Flip Cap. Thank you for your attention to these guidelines.
