

## Diamondback Tactical Sunshade (4 inch)

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Lens Shades](#)

Reduce glare and sun reflection off the objective lens by adding a 4-inch sunshade to your 40mm Diamondback Tactical riflescope.

Designed specifically for the Diamondback Tactical riflescope, this black anodized sunshade uses a screw-in assembly to easily attach to these two models only: 4-12x40 DBK-10025 and 3-9x40 DBK-10023.

## Safety Instructions

### Introduction

Thank you for choosing the VORTEX OPTICS Diamondback Tactical Sunshade. This 4inch sunshade is designed to enhance your viewing experience by reducing glare and sun reflection on your riflescope's objective lens. Please read this safety instruction guide carefully to ensure safe and effective use.

### General Safety Guidelines

- Ensure that the sunshade is compatible with the following models: 412x40 DBK10025 and 39x40 DBK10023.
- Always inspect the sunshade for any damage before installation. Do not use if damaged.
- Keep the sunshade out of reach of children and vulnerable individuals to prevent accidental injury.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Do not attempt to modify or alter the sunshade in any way.
- Avoid using the sunshade in extreme weather conditions, such as heavy rain or snow, which may affect its performance.
- Ensure that the sunshade is securely attached to the riflescope before use to prevent it from falling off during operation.
- Do not use the sunshade while the riflescope is in a case or bag, as this may cause damage.

### Instructions for Installation and Usage

#### 1. Unpack the Sunshade

- Carefully remove the sunshade from its packaging.
- Inspect the sunshade for any visible defects or damage.

#### 2. Prepare the Riflescope

- Ensure your riflescope is clean and free from dust or debris.
- Verify that your riflescope model is compatible with the sunshade.

#### 3. Attach the Sunshade

- Align the screwin assembly of the sunshade with the objective lens of your riflescope.
- Gently screw the sunshade into place until it is securely fastened. Avoid overtightening.

#### 4. Check the Installation

- Once attached, gently pull on the sunshade to ensure it is firmly in place.
- Make any necessary adjustments to ensure proper alignment.

#### 5. Using the Sunshade

- Use the sunshade to reduce glare and enhance visibility in bright conditions.
- Remove the sunshade when not in use to avoid potential damage.

## **Disposal Instructions**

- Dispose of the sunshade in accordance with local regulations regarding electronic waste and materials.
- Do not dispose of the sunshade in household waste. Check for designated recycling centers or programs in your area.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please reach out to the designated EU contact point for your product. Ensure you have your product details ready for reference.

Thank you for your attention to these safety instructions. Enjoy your enhanced viewing experience with the VORTEX OPTICS Diamondback Tactical Sunshade.
