VORTEX OPTICS Flip Cap Safety Instructions

Introduction

Thank you for choosing the VORTEX OPTICS Flip Cap for your Strikefire optic. This product is designed to protect your optic from dirt, dust, and debris, ensuring optimal performance during use. Please read this safety instruction guide carefully to ensure safe and effective use of your VORTEX OPTICS Flip Cap.

General Safety Guidelines

- Always ensure that the flip cap is securely attached to the objective end of your optic before use.
- Regularly inspect the flip cap for any signs of damage or wear. If damaged, discontinue use and replace the cap.
- Keep the product out of reach of children to avoid accidental injury.
- Do not use the flip cap for purposes other than its intended use as an optic cover.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the optic is clean and free of dirt before attaching the flip cap.
- Avoid exposing the flip cap to extreme temperatures, as this may affect its performance and durability.
- Do not force the flip cap open or closed, as this may cause damage to the hinge mechanism.
- When not in use, keep the flip cap closed to protect the optic from environmental elements.

Instructions for Installation and Usage

1. Installation

- Align the flip cap with the objective end of your optic.
- Gently press the flip cap onto the objective lens until it snaps securely into place.
- Ensure that the cap is properly seated and does not wobble.

2. Usage

- To open the flip cap, gently lift it from the hinge until it is fully extended.
- To close the flip cap, press it down until it snaps back into place over the objective lens.
- Always check that the flip cap is securely closed after use to protect your optic.

Disposal Instructions

- Dispose of the VORTEX OPTICS Flip Cap in accordance with local waste management regulations.
- Do not dispose of the flip cap in regular household waste if it is damaged or contains hazardous materials.
- Consider recycling the product if applicable in your area.
