It's often said about gear that "you get what you pay for.". Generally, it's used to characterize gear that isn't worth the money you paid for it. But what about gear that's worth more than its purchase price? Well, that's such a rare occurrence, it isn't even worth characterizing. However, you certainly get more than you paid for when you pick up a pair of Vortex Optics Crossfire HD binoculars.

Unlike other budget options on the market, these Vortex Crossfire HD binoculars provide premium performance in a budget-priced package. You even get the company's GlassPak binocular harness, too!

# VORTEX OPTICS Crossfire HD Binocular Safety Instruction Guide

## Introduction

Thank you for choosing the VORTEX OPTICS Crossfire HD 10x42 Binoculars. This guide provides essential safety instructions to ensure proper use and maintenance of your binoculars. Please read this document carefully to maximize your enjoyment and safety while using the product.

## General Safety Guidelines

- Ensure that you use the binoculars for their intended purpose.
- Always supervise children when using the binoculars to prevent accidents.
- Avoid looking directly at the sun through the binoculars, as this can cause serious eye damage.
- Keep the binoculars away from moisture and extreme temperatures to avoid damage.
- Regularly check for any signs of damage or wear before use.
- If you notice any defects or irregularities, discontinue use immediately and contact customer support.

## Specific Safety Precautions for Use

- Do not use the binoculars while driving or operating machinery.
- When using the binoculars in lowlight conditions, be aware of your surroundings to avoid accidents.
- Use the GlassPak binocular harness provided to prevent dropping the binoculars.
- Avoid using the binoculars in situations that may cause you to lose your balance.
- If you experience any discomfort while using the binoculars, stop using them immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Unboxing Your Binoculars:

- Carefully remove the binoculars from the packaging.
- Inspect the binoculars and accessories for any damage.

### 2. Attaching the Strap:

- Locate the strap attachment points on the binoculars.
- Thread the strap through the attachment points and secure it.

### 3. Using the Binoculars:

- Hold the binoculars with both hands.
- Adjust the eyecups by twisting them up or down to suit your comfort.
- Look through the binoculars and use the center focus wheel to adjust the clarity.
- If you wear glasses, twist down the eyecups for a better viewing experience.

### 4. Adjusting the Magnification:

- The binoculars are set to 10x magnification. Use the focus wheel to adjust the view as needed.

### 5. Storing the Binoculars:

- Store the binoculars in a cool, dry place when not in use.
- Use the provided lens caps to protect the lenses from dust and scratches.

## **Disposal Instructions**

- Dispose of the binoculars in accordance with local regulations regarding electronic waste.
- Remove batteries (if applicable) and dispose of them separately according to local guidelines.
- Do not throw the binoculars in the regular trash.
