

# Raptor 8.5x32

[Optics & Mounting](#) > [Binoculars & Accessories](#) > [Binoculars](#)

Vortex's compact 8.5x32mm Raptor binoculars bring uncommon compactness to a traditional Porro prism configuration that produces an immersive, nearly three-dimensional experience and improved depth of field. Fully multicoated lenses ensure excellent light transmission by using multiple anti-reflective coatings on all air-to-glass surfaces for bright, clear, high-fidelity color - even in the low light at dusk or dawn.

The 8.5x32mm Raptor binoculars from Vortex offer a wide field of view that makes scanning the landscape and pinpointing objects fast and easy.

Closed bridge configuration

Large textured center focus wheel

Right-eye dioptic adjustment

Twist-up eyepieces for comfortable use with or without glasses

Field of view: 390 ft. @ 1,000 yds

Close focus: 15 ft.

# VORTEX OPTICS Raptor 8.5x32 Safety Instruction Guide

## Introduction

Thank you for purchasing the VORTEX OPTICS Raptor 8.5x32 binoculars. This guide provides important safety instructions to ensure the safe and effective use of your binoculars. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure safe use of the binoculars by following these guidelines:
  - Always use the binoculars as intended.
  - Keep the binoculars out of reach of children to prevent accidents.
  - Avoid using the binoculars in hazardous conditions, such as extreme weather or environments that may cause damage.
  - Regularly check for any signs of damage or wear before use.
- Enhanced recall information:
  - Be aware that the product may be subject to recalls. Stay informed about any safety notices or updates related to your binoculars.
- Online shopping safety:
  - If purchased online, ensure that the retailer complies with safety regulations.
- Special consumer focus:
  - Extra care should be taken when allowing children or vulnerable individuals to use the binoculars.
- EU contact point:
  - For any safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- Rapid alerts:
  - Stay updated on any safety alerts regarding the product via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- When using the binoculars, please observe the following precautions:
  - Do not look directly at the sun through the binoculars, as this can cause serious eye damage.
  - Adjust the eyepieces carefully to ensure a comfortable viewing experience, especially if wearing glasses.
  - Use the center focus wheel gently to avoid damage to the focusing mechanism.
  - Do not expose the binoculars to moisture or extreme temperatures, as this may affect their performance.
- Agespecific warnings:

- These binoculars are not recommended for children under the age of 12 without adult supervision.

## Instructions for Installation and Usage

- Follow these steps for proper installation and usage of your binoculars:

### 1. Adjusting the Eyepieces:

- Twist up the eyepieces to your preferred position for comfortable viewing, with or without glasses.

### 2. Focusing:

- Use the large textured center focus wheel to adjust the focus for clear images.

### 3. Diopter Adjustment:

- Use the righteye dioptic adjustment to compensate for differences in vision between your eyes.

### 4. Field of View:

- The binoculars provide a wide field of view (390 ft. at 1,000 yds), making it easier to scan landscapes and locate objects.

### 5. Close Focus:

- The binoculars can focus as close as 15 ft. for detailed viewing of nearby objects.

## Disposal Instructions

- When it is time to dispose of your binoculars, please follow these guidelines:
  - Do not dispose of the binoculars in regular household waste.
  - Check local regulations for proper disposal methods of optical devices.
  - Consider recycling the materials where possible.

## Contact Information for Further Support

- For any questions, concerns, or safety inquiries regarding your VORTEX OPTICS Raptor 8.5x32 binoculars, please refer to the contact information provided by the retailer or manufacturer.

By following these safety instructions, you can ensure a safe and enjoyable experience with your VORTEX OPTICS Raptor 8.5x32 binoculars. Thank you for choosing our product!
