VORTEX OPTICS Tethered Lens Caps 50mm CF Bino Set Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Tethered Lens Caps 50mm CF Bino Set. This product is designed to provide enhanced protection for your binocular lenses. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- **Product Safety:** This product is designed to ensure safe use and to provide additional protection for your binocular lenses.
- **Enhanced Recalls:** In the event of any safety concerns, standardized recall notices will be issued, and remedies will be provided for any dangerous products.
- **Online Shopping Protections:** This product meets the same safety requirements as those sold in physical stores.
- **Special Consumer Focus:** Extra care should be taken when using this product around children or vulnerable groups.
- **EU Contact Point:** For any safety inquiries, please reach out to the designated EU contact point.
- **Rapid Alerts:** Stay informed about any updates on unsafe products through the EU Safety Gate system.

Specific Safety Precautions for Use

- Always inspect the lens caps before use to ensure they are in good condition.
- Do not use the lens caps if they show signs of damage or wear.
- Keep lens caps out of reach of children to prevent choking hazards.
- Ensure the lens caps are securely attached to the binoculars before use to avoid loss.
- Do not expose the lens caps to extreme temperatures or harsh chemicals.
- If the lens caps become dirty, clean them with a soft, dry cloth. Avoid using abrasive materials.

Instructions for Installation and Usage

1. Installation:

- Remove the lens caps from the packaging.
- Align each lens cap with the corresponding objective lens of the binoculars.
- Press the lens cap onto the lens until you hear a click, indicating it is securely attached.
- Make sure the tether is properly connected to the binoculars to prevent loss.

2. Usage:

- When using the binoculars, remove the lens caps by pulling them off gently.
- Always place the lens caps back on after use to protect the lenses from dust and scratches.
- Do not attempt to modify the lens caps or the tethering system.

Disposal Instructions

- Dispose of the lens caps responsibly in accordance with local waste disposal regulations.
- Do not dispose of lens caps in household waste if they can be recycled.
- Check with your local recycling program for specific guidelines on disposing of plastic products.

Contact Information for Further Support

For any questions or further assistance regarding the VORTEX OPTICS Tethered Lens Caps 50mm CF Bino Set, please refer to the EU contact point provided with your purchase.

Thank you for following these safety instructions. Enjoy your enhanced viewing experience with VORTEX OPTICS!
