

Solo Monocular 10x36

[Optics & Mounting](#) > [Spotting Scopes & Accessories](#) > [Spotting Scopes](#)

The compact, easy to carry Vortex Solo 10x36 Monocular gives you all the visual sharpness and magnifying power of binoculars, but with half the weight. Fully multi-coated lenses, with anti-reflective coating, provide the most vivid images with outstanding light gathering capability.

The Solo 10x36 Monocular's rubber-armored housing is O-ring sealed to keep out water and dust, and purged with nitrogen to prevent internal fogging no matter the conditions.

From hunters to hikers, the Vortex Solo 10x36 Monocular makes a great addition to your kit, and don't let weather deter you, its waterproof, fogproof, and shockproof.

VORTEX OPTICS Solo Monocular Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Solo Monocular 10x36. This guide provides essential safety instructions and usage guidelines to ensure your product is used safely and effectively. Please read this manual carefully before using the monocular.

General Safety Guidelines

- Ensure that all users understand the safety instructions and guidelines provided in this manual.
- Keep the monocular out of reach of children to prevent accidental injury or damage.
- Regularly inspect the monocular for any signs of damage or wear. Do not use if damaged.
- Store the monocular in a cool, dry place away from direct sunlight to avoid damage to the lenses and housing.
- Avoid exposing the monocular to extreme temperatures or moisture.
- Report any unsafe conditions or accidents related to the use of this product to the appropriate authorities.

Specific Safety Precautions for Use

- **Avoid Direct Sunlight:** Do not look directly at the sun through the monocular, as this can cause serious eye damage.
- **Handling:** Use both hands when holding the monocular to prevent dropping it.
- **Cleaning:** Use a soft, lintfree cloth to clean the lenses. Avoid using harsh chemicals or abrasive materials.
- **Water and Dust Protection:** Although the monocular is designed to be waterproof and fogproof, avoid submerging it in water.
- **Nitrogen Purging:** The monocular is purged with nitrogen to prevent internal fogging. Ensure that the O-ring seal is intact to maintain this feature.

Instructions for Installation and Usage

1. Adjusting the Eyecup:

- If you wear glasses, twist down the eyecup to its lowest position.
- If you do not wear glasses, twist up the eyecup for optimal viewing.

2. Focusing the Monocular:

- Look through the eyepiece and adjust the focus wheel until the image is clear.
- For best results, focus on a stationary object at a distance.

3. Using the Monocular:

- Hold the monocular steady and aim it at the object you wish to observe.
- Use the magnification feature to zoom in as needed.

4. Storing the Monocular:

- When not in use, place the monocular in its protective case.
- Ensure that the lens covers are in place to protect the lenses from dust and scratches.

Disposal Instructions

- Dispose of the monocular according to local regulations regarding electronic waste.
- Remove batteries (if applicable) and dispose of them separately in accordance with local battery disposal guidelines.
- Do not dispose of the monocular in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the VORTEX OPTICS Solo Monocular or safety issues, please reach out to the appropriate EUbased contact point. Ensure that you have your product details ready for a more effective response.

Thank you for your attention to these safety instructions. Enjoy your VORTEX OPTICS Solo Monocular responsibly and safely!
