

Solo Monocular 10x25

[Optics & Mounting](#) > [Spotting Scopes & Accessories](#) > [Spotting Scopes](#)

From hunters to hikers.

The Vortex Solo 10x25 Monocular is so compact and easy to carry, you will want to make it a standard part of your outdoor gear. The lightweight rubber armored body is 100% waterproof and shelters your investment on those backwoods hunting trips.

The Solo 10x25 Monocular's fully multi-coated lenses with anti-reflective coating provide the most vivid imaged with outstanding light gathering ability.

Don't let the weather deter you from taking the Solo on your next adventure because it's waterproof, fogproof, and shockproof.

The Vortex Solo 10x25 Monocular delivers quality viewing for outdoor enthusiasts who wish to bring nature a bit closer.

VORTEX OPTICS Solo Monocular 10x25 Safety Instruction Guide

Introduction

Thank you for choosing the VORTEX OPTICS Solo Monocular 10x25. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your monocular. Please read this document carefully before using the product.

General Safety Guidelines

- **Product Safety:** This monocular is designed for outdoor use and complies with the EU General Product Safety Regulation (GPSR). Ensure you follow all safety guidelines to prevent accidents and injuries.
- **Enhanced Recalls:** In the unlikely event of a product recall, you will be informed through standardized notices. Always check for updates regarding product safety.
- **Online Shopping:** If purchased online, ensure the seller meets all safety requirements as mandated by EU regulations.
- **Vulnerable Groups:** Extra care should be taken when allowing children to use this product. Always supervise children to prevent misuse.
- **EU Contact Point:** For any safety inquiries, please contact your local EU-based consumer safety authority.
- **Rapid Alerts:** Stay informed about product safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Direct Eye Exposure:** Do not look directly at the sun or other intense light sources through the monocular, as this may cause serious eye damage.
- **Keep Away from Children:** This product contains small parts that may pose a choking hazard. Ensure it is kept out of reach of children.
- **Inspect Before Use:** Always check the monocular for any signs of damage before use. Do not use if damaged.
- **Use in Safe Environments:** Avoid using the monocular in extreme weather conditions or environments that may pose a risk to your safety.
- **Proper Handling:** Handle the monocular with care to prevent drops and impacts, which could damage the internal components.

Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the monocular from its packaging. Dispose of packaging materials responsibly.
2. **Adjusting the Eyecup:**
 - Twist the eyecup up or down to adjust for comfortable viewing, especially for users who wear glasses.
3. **Focusing the Monocular:**
 - Use the central focus wheel to achieve a clear image. Rotate the wheel until the desired clarity is reached.
4. **Using the Monocular:**
 - Hold the monocular steady and bring it to your eye. Aim at the object you wish to view and adjust the focus as necessary.
5. **Cleaning:**
 - Use a soft, lint-free cloth to clean the lenses. Avoid using harsh chemicals or abrasive materials that may scratch the surface.
6. **Storage:**

- Store the monocular in a dry place, preferably in its case, to protect it from dust and moisture.

Disposal Instructions

- **Environmentally Friendly Disposal:** Dispose of the monocular in accordance with local regulations. Do not dispose of it in regular household waste.
- **Recycling:** Check if the product or its packaging can be recycled. Follow local guidelines for recycling electronic devices.

Contact Information for Further Support

For any questions or concerns regarding the VORTEX OPTICS Solo Monocular 10x25, please consult your local retailer or contact your local consumer safety authority for guidance.

Thank you for choosing VORTEX OPTICS. Enjoy your outdoor adventures with your new monocular!
